

## Thomas Charles Reeves

Professor Emeritus of Learning, Design, and Technology  
Department of Career and Information Studies  
College of Education, The University of Georgia  
Work: 222 River's Crossing, Athens, GA 30602 USA  
Home: 1050 Tangle Drive, Athens, GA 30606 USA

Curriculum Vitae  
Updated November 2017  
Tel: (706) 614-3388

### EDUCATION

---

#### **Syracuse University** (May 1979)

Ph.D. – Instructional Design, Development, & Evaluation, School of Education.

#### **Georgia State University** (August 1976)

M.L.M. – Library Media, College of Education.

#### **Syracuse University** (May 1975)

M.S. – Instructional Technology, School of Education.

#### **Georgia State University** (June 1973)

B.S. – Elementary Education, College of Education.

### PROFESSIONAL EXPERIENCE

---

#### **Professor Emeritus of Learning, Design, and Technology**, The University of Georgia (1985-Present)

Responsible for teaching graduate courses with primary emphasis on instructional design, program evaluation, educational research, interactive multimedia, and computer-based education; advising graduate students; chairing doctoral committees; supervising graduate research assistants; coordinating written and oral examinations; serving on faculty committees; conducting research and development projects; writing proposals; and directing funded grants. Co-founder of the Learning and Performance Support Laboratory (LPSL) (<http://lpsl.coe.uga.edu/>). Academic rank was Assistant Professor from 1985-89, Associate Professor from 1989-94, Professor from 1994-2009, and Professor Emeritus from 2010-Present.

#### **Senior Instructional Scientist**, MetaMedia Systems, Inc., Germantown, MD (1984-85)

Responsible for design, evaluation, and management of interactive videodisc (IVD) systems for military training and medical education. Managed the development of IVD systems for clients such as DuPont, the Library of Congress, U. S. Army, and AT&T. Responsible for providing workshops to corporations and institutions in the areas of evaluation and instructional design and supervising a graduate intern program.

#### **Assistant Professor of Elementary Education**, The University of Georgia (1982-84)

Responsible for teaching undergraduate and graduate courses, coordinating a student teacher field center, serving on graduate student committees, and providing advisement to undergraduate and graduate students.

#### **Project Director**, STARS Project, University of Maryland University College (1981-82)

Responsible for the overall management, design, development, evaluation, and implementation of the STARS project, a computer-based interactive videodisc functional literacy instructional system for the U. S. Army in Europe, and other projects of the Center for Instructional Development and Evaluation, University of Maryland University College, European Division, in Heidelberg, Germany.

#### **Evaluation Specialist**, Medical University of South Carolina, Charleston, SC (1980-81)

Responsible for assisting faculty in the improvement of measurement and evaluation techniques, participating in on-going assessments of faculty instructional skills, developing and conducting instructional design, development, and evaluation seminars, and conducting research in medical education within the Office of Educational Services.

**Fulbright Lecturer**, National Technical University, Piura, Peru (1979-80)

Responsible for the development and evaluation at the Center for Educational Technology and for providing in-service training on innovative teaching methods, instructional development, assessment strategies, and program evaluation.

**Associate in Evaluation**, Syracuse University (1975-79)

Responsible from Fall 1978 until Spring 1979 for organization and management of evaluation efforts within the Center for Instructional Development (CID). Served as evaluation Intern at CID from 1975 to 1978.

**Instructor and Graduate Research Assistant**, Syracuse University (1974-77)

Responsible for developing and teaching the introductory graduate course, Foundations of Instructional Technology, and for field testing and evaluating instructional materials.

**Elementary School Teacher**, DeKalb County Public Schools, GA (1973-74)

**Chaplain's Assistant**, United States Army, Honorable Discharge (1969-71)

#### **OTHER SELECTED PROFESSIONAL EXPERIENCES**

---

**Board of Visitors Member**, College of Education, The University of Georgia (2014 - Present)

**Board Member**, AECT Foundation Board, Association for Educational Communications and Technology (2017 - Present).

**Volunteer**, Centre for Learning Resources, Maharashtra, Pune, India (November, 2013).

**Visiting Scholar**, Centre for Online Learning Excellence, Open Universities Australia, Melbourne, Australia (November – December 2011)

**National Visiting Committee**, National Science Digital Library, National Science Foundation (2003 - 2008)

**Co-Chair** (with Shirley Yamashita), *E-Learn 2006: World Conference on E-Learning in Corporate, Government, Healthcare, & Higher Education, Honolulu, Hawaii, USA* (2006)

**Co-Chair** (with Margaret Driscoll), *E-Learn 2002: World Conference on E-Learning in Corporate, Government, Healthcare, & Higher Education, Montreal, Canada* (2002)

**Scientific Panel on Interactive Communication and Health Member**, Office of Disease Prevention and Health Promotion, U. S. Department of Health and Human Services (1997 - 2000)

**Co-Chair** (with Tomasz Müldner), ED-MEDIA/ED-TELECOM '97, Calgary, Canada (1997)

**Proposal Reviewer**, National Science Foundation (1988 - Present)

**Board of Directors Member**, Division of Instructional Development, Association for Educational Communications and Technology (AECT) (1993-96)

**Applications of Advanced Technologies Panel Member**, National Science Foundation (1990-93)

**Chair**, International Initiatives Committee, Association for the Development of Computer-based Instructional Systems (ADCIS) (1989-94)

**President**, Association for the Development of Computer-based Instructional Systems (ADCIS) (1988-89)

**Co-Chair** (with Alexei Semenov), Children, Education, and Computers Conference, ADCIS and Soviet Academy of Sciences, Zvenigorad, USSR (1988)

## **EDITORIAL ROLES**

---

**Editorial Review Board Member:** *Educational Design Research* (2016 - Present)

**Editorial Advisory Board Member:** *Educational Media International* (2006 - Present)

**Editorial Board Member:** *Canadian Journal of Learning and Technology/ La revue Canadienne de l'apprentissage et de la technologie* (2005 - Present)

**Contributing Editor,** *Educational Technology* (1997 - 2017)

**Consulting Editor,** Research Section, *Educational Technology Research and Development* (1996 - Present)

**Consulting Editor,** Development Section, *Educational Technology Research and Development* (1993 - Present)

**Editor,** *Journal of Interactive Learning Research* (1997 - 2000)

**Reporter,** *The Multimedia Monitor* (1990-96)

**Reviewer,** *Journal of Educational Computing Research* (1987-92)

**Editor,** *ADCIS News*, Association for the Development of Computer-based Instructional Systems (1985-87)

## **SELECTED PRINT PUBLICATIONS**

---

### **BOOKS**

Bonk, C. J., Lee, M., Reeves, T. C., & Reynolds, T. (Eds.). (2015). *MOOCs and open education around the world*. New York: Routledge.

McKenney, S. E., & Reeves, T. C. (2012). *Conducting educational design research*. New York: Routledge.

Herrington, J., Reeves, T. C., & Oliver, R. (2010). *A guide to authentic e-learning*. New York: Routledge.

Reeves, T. C., & Hedberg, J. G. (2003). *Interactive learning systems evaluation*. Englewood Cliffs, NJ: Educational Technology Publications.

## U. S. PATENT

Jury, T., Gustafson, K. L., Reeves, T. C., Cole, K., & Huffinan, G. (Awarded August 5, 1997). *Configurable electronic performance support system for total quality management processes* (Number 5,655,086).

## SELECTED PAPER/POSTER PRESENTATIONS

---

### INTERNATIONAL AND NATIONAL

Oh, E. G., & Reeves, T. C. (2016, April). *The goals and methods of educational technology research: Over time and between nations*. Scientific poster for SIG – Instructional Technology at the Annual Meeting of the American Educational Research Association, Washington, DC.

Wang, S. K., Hsu, H. Y., Reeves, T. C., & Coster, D. (2015, April). *Professional development to enhance teachers' practices in using information and communication technologies as cognitive tools: Lessons learned from a design-based research study*. Paper presented at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Vesper, J. L., Reeves, T., & Herrington, J. (2013, Jun). *Using preliminary risk assessment in a formative evaluation*. In J. Herrington, A. Couros & V. Irvine (Eds.), *World Conference on Educational Multimedia, Hypermedia and Telecommunications*. Victoria, Canada: Association for the Advancement of Computing in Education.

McKenney, S., & Reeves, T. C. (2013, April). *The application of educational design research in the context of curriculum materials development in Sub-Saharan Africa*. Paper presented at the Annual Meeting of the American Educational Research Association, San Francisco, CA.

Hu, R., & Reeves, T. C. (2011, March). *Faculty perceptions of online assessment: A comparison study between traditional universities and online institutions*. Paper presented at the Annual Meeting of the American Educational Research Association, New Orleans, LA.

- Willey, S. C., Manalo Bacarra, M., Aggen, W. D., Repesh, J., Moreau, M., & Reeves, T. C. (2011, February). *Evaluation of maintenance of certification (MOC) interactive learning program for breast cancer surgeons*. Scientific poster presented at BC3 Breast Cancer Coordinated Care Conference, Washington, DC.
- Reeves, T. C., McKenney, S., & Herrington, J. (2010, December). *Publishing and perishing: The critical importance of educational design research*. Paper presented at the Australasian Society for Computers in Learning in Tertiary Education (ASCILITE) Conference, Sydney, New South Wales, Australia. (Awarded Outstanding Paper Award)
- Reeves, T. C., Champion, H. R., Meglan, D., Aggen, W. D., & Waddington, R. (2010, October). *Getting serious about validating serious games*. Paper presented at E-Learn 2010, Orlando, FL.
- Liu, Y., Oh, E., & Reeves, T. C. (2009, April). *Self-regulated learning in an authentic, collaborative online learning environment*. Paper presented at the Annual Meeting of the American Educational Research Association, San Diego, CA.
- Reeves, T. C. (2009, March). *The application of "design research" to e-learning*. Invited paper presented at the First International Conference for e-Learning and Distance Learning, Ministry of Education, Riyadh, Kingdom of Saudi Arabia.
- Porcaro, D., Reeves, T. C., & Hill, J. (2008, November). *Socially responsible research in instructional technology and the learning sciences: Progress made and future directions*. Paper presented at the Annual Conference of the Association for Educational Communications and Technology, Orlando, FL.
- Liu, Y., & Reeves, T. C. (2008, November). *Self-regulated learning in an authentic, collaborative learning environment*. Paper presented at the Annual Conference of the Association for Educational Communications and Technology, Orlando, FL.
- Reeves, T. C., Zgambo, A., & Reeves, P. M. (2008, October). *A comprehensive evaluation model for HIV/AIDS educational products*. Scientific poster presented at the National Institute for Mental Health (NIMH) Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, Providence, RI.
- Liu, Y., Oh, E., & Reeves, T. C. (2008, March). *Undergraduate students' self-regulated learning in an introductory educational technology course*. Paper presented at the Annual Meeting of the American Educational Research Association, New York, NY.
- Reeves, T. C., Herrington, J., & Oliver, R. (2007, April). *Constructivist, discovery, problem-based, experiential, and inquiry-based teaching are not failures: Evidence from authentic tasks-based learning*. Paper presented at the Annual Meeting of the American Educational Research Association, Chicago, IL.
- Reeves, T. C., & Oh, E. (2007, April). *Preparing Generation X and the NetGen for the 21<sup>st</sup> Century workplace: A Literature Review*. Paper presented at the Annual Meeting of the American Educational Research Association, Chicago, IL.
- Hill, J., & Reeves, T. C. (2006, April). *The impact of portable technologies on teaching and learning: A longitudinal evaluation*. Paper presented at the Annual Meeting of the American Educational Research Association, San Francisco, CA.
- Apedoe, X., Holschuh, D., & Reeves, T. C. (2004, April). *The interplay of teaching conceptions and a course management system among award-winning university professors*. Paper presented at the Annual Meeting of the American Educational Research Association, San Diego, CA.
- Hill, J., Reeves, T. C., Wang, S. K., Han, S., & Mobley, M. (2004, April). *Ubiquitous technologies for teaching and learning: A longitudinal exploration*. Paper presented at the Annual Meeting of the American Educational Research Association, San Diego, CA.

- Kim, B. & Reeves, T. C. (2004, April). *Reframing research on learning with technology: In search of the meaning of cognitive tools*. Paper presented at the Annual Meeting of the American Educational Research Association, San Diego, CA.
- Reeves, T. C., Herrington, J., & Oliver, R. (2003, October). *A development research agenda for online collaborative learning*. Paper presented at the Annual Conference of the Association for Educational Communications and Technology, Anaheim, CA.
- Brill, J. M., & Reeves, T. C. (2003, October). *School by design: How members of one school community create (and recreate) students success through inquiry*. Paper presented at the Annual Conference of the Association for Educational Communications and Technology, Anaheim, CA.
- Hill, J., Reeves, T. C., Grant, M., & Wang, S. K. (2003, April). *Portable technologies in teaching and learning: Continuing the examination*. Paper presented at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Reeves, T. C. (1993, August). *Interactive learning systems as mind tools*. Invited keynote paper presented at the Educational Computing Association of Western Australia (ECAWA) Conference, Mandurah, Western Australia.

Reeves, T. C., & Harmon, S. W. (1993, April). *Systematic evaluation procedures for instructional hypermedia/multimedia*. Paper presented at the Annual Meeting of the American Educational Research Association, Atlanta, GA.

Reeves, T. C., & Surry, D. W. (1993, April). *Multi-methods, multi-site evaluation of computer-based instruction*. Paper presented at the Annual Meeting of the American Educational Research Association, Atlanta, GA.

Reinking, D., Reeves, T. C., & Shahrom, T. (1993, April). *Appropriating technology to enhance elementary school students' self-selected reading*. Paper presented at the Annual Meeting of the American Educational Research Association, Atlanta, GA.

Reeves, T. C., & Surry, D. W. (1993, January). *Multi-site, multi-methods evaluation of a computer-based algebra curriculum*. Paper presented at Annual Conference of the Association for Educational Communications and Technology, New Orleans, LA.

Harmon, S., Reeves, T. C., Aggen, W. D. (1992, November). *Managing multimedia projects*. Paper presented at the 34th International Conference of the Association for the Development of Computer-based Instructional Systems, Norfolk, VA.

Gustafson, K. L., & Reeves, T. C. (1992, September). *ID Library: An electronic performance support system for instructional designers*. Paper presented at the Electronic Performance Support Conference, Dallas, TX.

Reeves, T. C. (1992, July). *Research foundations for interactive multimedia*. Invited keynote paper presented at "Making Multimedia Work," the AECT Professional Development Seminar, Virginia Tech, Blacksburg, VA.

Gustafson, K. L., & Reeves, T. C. (1992, April). *ID Library: A performance support system for training developers*. Paper presented at the National Society for Performance Instruction Conference, Miami, FL.

Reeves, T. C. (1992, April). *Potential of computer modeling for research and evaluation of interactive multimedia*. Paper presented at the Annual Meeting of the American Educational Research Association, San Francisco, CA.

Reeves, R. C., & Jih, H. J. (1992, April). *The relationship among the user interface, trainees' mental models, and performance in computer-based training*. Paper presented at the Annual Meeting of the American Educational Research Association, San Francisco, CA.

Reeves, T. C. (1992, January). *Research foundations for interactive multimedia*. Invited keynote paper presented at the International Interactive Multimedia Symposium (IIMS '92), Perth, Australia.

ChanLin, L., & Reeves, T. C. (1991, November). *Computer-based instruction for teaching English as a second language in Taiwan*. Paper presented at the 33rd International Conference of the Association for the Development of Computer-based Instructional Systems, St. Louis, MO.

Jih, H. J., & Reeves, T. C. (1991, November). *The formation and impact of users' mental models in human-computer interaction*. Paper presented at the 33rd International Conference of the Association for the Development of Computer-based Instructional Systems, St. Louis, MO.

Shahrom, T., & Reeves, T. C. (1991, November). *A systematic educational courseware development model for developing countries*. Paper presented at the 33rd International Conference of the Association for the Development of Computer-based Instructional Systems, St. Louis, MO.

Gustafson, K. L., & Reeves, T. C. (1991, August). *ID Library: Performance support for instructional designers*. Paper presented at the Thirteenth Annual Conference on Interactive Videodisc in Education and Training, Society for Applied Learning Technology, Washington, DC.

Gustafson, K. L., & Reeves, T. C. (1991, February). *Field evaluation of ID Library: A computer-based instructional design workstation*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, Orlando, FL.

Jones, M., Harmon, S. W., & Reeves, T. C. (1991, February). *A model for analysis of computer-based education in developing countries*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, Orlando, FL.

Reeves, T. C. (1991, January). *Combining quantitative and qualitative research with computer modeling*. Paper presented at the Qualitative Research in Education Conference, The University of Georgia, Athens, GA.

Reeves, T. C. (1990, November). *Computer modeling: A research tool for computer-based instruction*. Paper presented at the 32nd International Conference of the Association for the Development of Computer-based Instructional Systems, San Diego, CA.

Gustafson, K. L., Reeves, T. C., & Wray, A. (1990, November). *Evaluation of an instructional design workstation at multiple sites*. Paper presented at the 32nd International Conference of the Association for the Development of Computer-based Instructional Systems, San Diego, CA.

Reeves, T. C., & Marlino, M. R. (1990, October). *Computer modeling: An Approach to evaluating the complexities of interactive instruction*. Paper presented at EDUCOM '90, Atlanta, GA.

Gustafson, K. L., Reeves, T. C., & Laffey, J. M. (1990, April). *The experience and outcomes of interactive videodisc orientation training for sales personnel*. Paper presented at Annual Meeting of the American Educational Research Association, Boston, MA.

Gustafson, K. L., & Reeves, T. C. (1990, February). *IDioM: An instructional design workstation for business, sales, and technical training*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, Anaheim, CA.

Reeves, T. C. (1989, November). *New directions for applying multimedia in business and industrial training*. Invited keynote paper presented at Third International Conference on Computers and Video in Company Training, Lugano, Switzerland.

Reeves, T. C. (1989, November). *Multimedia training environments*. Paper presented at Third International Conference on Computers and Video in Company Training, Lugano, Switzerland.

Reeves, T. C., & Harmon, S. W. (1989, November). *An assessment of the effects of induced and natural student self-perceptions of creativity on students' performance in hypermedia environments*. Paper presented at the 31st International Conference of the Association for the Development of Computer-based Instructional Systems (ADCIS), Washington, DC.

Reeves, T. C. (1989, August). *Designing, implementing, and evaluating interactive videodisc (IVD) simulations for education and training*. Invited keynote paper presented at the International CAI Conference, National Taiwan Normal University, Taipei, Taiwan, R. O. C.

- Reeves, T. C. (1989, May). *An instructional development model for interactive videodisc science simulations*. Invited paper presented at the Third International Conference on "Children in the Information Age," Bulgarian Academy of Sciences, Sofia, Bulgaria.
- Brooks, Z., Meskill, C., & Reeves, T. C. (1989, April). *Project communication*. Paper presented at the Annual Conference of the Computer Assisted Language Learning and Instruction Consortium (CALICO), Colorado Springs, CO.
- Reeves, T. C., & Marlino, M. R. (1989, April). *An evaluation of the emergency medical conditions interactive videodisc*. Paper presented at Annual Meeting of the American Educational Research Association, San Francisco, CA.
- Reeves, T. C. (1989, February). *Evaluation: Impetus or impediment to the development of interactive multimedia in higher education*. Invited paper presented at the Conference on "Interactive Multimedia in Higher Education," Digital Equipment Corporation, Orlando, FL.
- Gustafson, K. L., & Reeves, T. C. (1989, February). *Recycling science and mathematics resources with instructional technology*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, Dallas, TX.
- Reeves, T. C., & Gustafson, K. L. (1988, November). *Instructional design work station for business, sales, and technical training*. Invited keynote paper presented at the 2nd Annual Symposium of Computer and Video in Company Training, Gottlieb Duttweiler Institute, Zurich, Switzerland.
- Gustafson, K. L., & Reeves, T. C. (1988, November). *The potential of converting major science curriculum projects of the 60's into interactive video curricula for the 90's*. Paper presented at the 30th International Conference of the Association for the Development of Computer-based Instructional Systems, Philadelphia, PA.
- Harmon, S. W., & Reeves, T. C. (1988, November). *Developing instructional designers and creating interactive videodiscs: Match or mismatch*. Paper presented at the 30th International Conference of the Association for the Development of Computer-based Instructional Systems, Philadelphia, PA.
- Reeves, T. C. (1988, October). *Strategies for evaluating instructional software*. Paper presented at the ADCIS - Soviet Academy of Sciences Conference on Children, Education, and Computers, Zvenigorad, USSR.
- Reeves, T. C., Brandt, R. H., & Marlino, M. R. (1988, September). *Evaluation of interactive videodisc*. Paper presented at Corporate Video '88, Los Angeles, CA.
- Reeves, T. C. (1988, April). *Implementing CBI in higher education: Unfulfilled promises*. Paper presented at the Annual Meeting of the American Educational Research Association, New Orleans, LA.
- Reeves, T. C., Brandt, R., & Marlino, M. R. (1988, April). *Critical analysis of evaluations of interactive videodisc programs*. Paper presented at the Annual Meeting of the American Educational Research Association, New Orleans, LA.
- Reeves, T. C., Marlino, M. R., & Henderson, J. V. (1988, April). *Evaluation of acute trauma life support interactive videodisc training*. Paper presented at the Annual Meeting of the American Educational Research Association, New Orleans, LA.
- Reeves, T. C. (1988, January). *Evaluating interactive training*. Paper presented at the Institute for Graphic Communication, Clearwater, FL.
- Reeves, T. C., Okey, J. R., King, J. M., and Marlino, M. R. (1988, January). *CAST: The interactive video training program for science teachers*. Paper presented at the Annual Conference of the Association for Educational Communications and Technology, New Orleans, LA.

- Reeves, T. C. (1987, November). *Evaluating computer-based instruction: Fantasies, facts, and futures*. Paper presented at the 29th International Conference of the Association for the Development of Computer-based Instructional Systems, Oakland, CA.
- Marlino, M. R., Reeves, T. C., and Henderson, J. V. (1987, November). *Evaluating interactive training for acute trauma life support*. Paper presented at the 29th International Conference of the Association for the Development of Computer-based Instructional Systems, Oakland, CA.
- Reeves, T. C. (1987, November). *Evaluating electronic images*. Paper presented at Electronic Imaging '87, Boston, MA.
- Reeves, T. C., King, J. M., & Okey, J. R. (1987, October). *CAST: Computer assistance for science teachers*. Paper presented at the Annual Nebraska Videodisc Symposium, Lincoln, NE.
- Reeves, T. C. (1987, May). *Effective dimensions of interactive videodiscs for training*. Paper presented at the International Conference on Computer-Assisted Approaches to Training, Lugano, Switzerland.
- Reeves, T. C. (1987, April). *Evaluating new technologies: The good news and the bad news*. Paper presented at the Extension Technology Conference, Virginia Tech, Blacksburg, VA.
- Reeves, T. C. (1987, April). *Alternative evaluation designs for interactive instruction in military settings*. Paper presented at the Annual Meeting of the American Educational Research Association, Washington, DC.
- Reeves, T. C., & Aggen, W. D. (1987, March). *Computer-aided design of interactive instruction: The process and the product*. Paper presented at the National Society for Performance Instruction Conference, San Antonio, TX.
- Reeves, T. C. (1987, January). *Evaluating interactive training: How to's and better not's*. Paper presented at the Institute for Graphic Communication, Key Biscayne, FL.
- Reeves, T. C., & King, J. M. (1986, November). *Design considerations for an interactive videodisc system to teach adult literacy*. Paper presented at the 28th International Conference of the Association for the Development of Computer-based Instructional Systems, Washington, DC.
- Reeves, T. C. (1986, June). *Smothering dreams: Reviewing the impact of war toys on children*. Paper presented at the Third National Conference on Peacemaking and Conflict Resolution, Denver, CO.
- Reeves, T. C., & King, J. M. (1986, April). *Evaluation of interactive videodisc training in military operations*. Paper presented at the Annual Meeting of the American Educational Research Association, San Francisco, CA.
- Reeves, T. C., & Aggen, W. D. (1986, February). *"Focus on L.O.C.I.S.:" Interactive videodisc training for library users*. Paper presented at the 27th International Conference of the Association for the Development of Computer-based Instructional Systems, New Orleans, LA.
- Cawthon, C. W., & Reeves, T. C. (1986, February). *Computer-based language experience strategies for kindergarten and first grade students*. Paper presented at the 27th International Conference of the Association for the Development of Computer-based Instructional Systems, New Orleans, LA.
- Reeves, T. C., & King, J. M. (1986, January). *Evaluation of group-based interactive videodisc system for military training*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, Las Vegas, NV.
- Reeves, T. C. (1985, October). *Innovative applications of videodisc technology in nursing*. Paper presented at the National Conference on Instructional Computing in Nursing Education, Cedar Rapids, IA.

- Reeves, T. C. (1985, March). *Innovative learning strategies in interactive videodisc training*. Paper presented at the 26th International Conference of the Association for the Development of Computer-based Instructional Systems, Philadelphia, PA.
- Reeves, T. C. (1985, February). *Eight keys to success in interactive video for language instruction*. Paper presented at the Computer Assisted Language Learning and Instruction Consortium Symposium, Baltimore, MD.
- Reeves, T. C. (1984, September). *Smothering dreams: The impact of war toys on children*. Paper presented at the 2nd National Conference on Peacemaking and Conflict Resolution, St. Louis, MO.
- Reeves, T. C., & Aggen, W. D. (1984, June). *STARS project overview: Space Time Army Reconnaissance System*. Paper presented at the 6th Annual National Educational Computing Conference on Computer-Based Instruction, Dayton, OH.
- Reeves, T. C., Okey, J. R., & King, J. M. (1984, May). *Development of intelligent videodisc training materials for science teachers*. Paper presented at the 25th International Conference of the Association for the Development of Computer-based Instructional Systems, Columbus, OH.
- Reeves, T. C., & Aggen, W. D. (1984, May). *STARS (Space Time Army Reconnaissance System)*. Paper presented at the 25th International Conference of the Association for the Development of Computer-based Instructional Systems, Columbus, OH.
- Reeves, T. C. (1984, April). *Alternative research and evaluation designs for intelligent videodiscs*. Paper presented at the Annual Meeting of the American Educational Research Association, New Orleans, LA.
- Reeves, T. C., Aggen, W. D., & Fletcher, K. A. (1984, April). *Levels of testing in three intelligent videodisc simulations for military education and training*. Paper presented at the Annual Meeting of the American Educational Research Association, New Orleans, LA.
- Reeves, T. C., & Weller, L. D. (1984, April). *Interactive video simulations of critical incidents in classroom management*. Paper presented at the Annual Meeting of the American Educational Research Association, New Orleans, LA.
- Reeves, T. C., Okey, J. R., & King, J. M. (1984, January). *A proposal for funding of intelligent videodisc training materials for in-service science teachers*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, Dallas, TX.
- Reeves, T. C., & Klueter, D. A. (1983, April). *An evaluation of computer-based functional literacy instruction for the military*. Paper presented at the Annual Meeting of the American Educational Research Association, Montreal, Canada.
- Reeves, T. C., & Aggen, W. D. (1983, January). *Intelligent videodisc: A medium in desperate search of a little theory*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, New Orleans, LA.
- Reeves, T. C., & Klueter, D. A. (1982, October). *A preliminary evaluation of computer-based functional literacy instruction*. Paper presented at the Evaluation Research Society/Evaluation Network Conference, Baltimore, MD.
- Reeves, T. C., & Aggen, W. D. (1982, June). *Computer-based instruction project (CBIP)*. Paper presented at the 23rd International Conference of the Association for the Development of Computer-based Instructional Systems, Vancouver, BC, Canada.
- Reeves, T. C., & Lent, R. M. (1982, March). *Levels of evaluation for computer-based instruction*. Paper presented at the Annual Meeting of the American Educational Research Association, New York, NY.

Levine, J. H., Corley, J. B., Reeves, T. C., & Lancaster, C. J. (1981, November). *A meta-evaluation of a clinical evaluation system in a third-year clerkship in medicine*. Paper presented at the Annual Meeting of the Association of American Medical Colleges, Washington, DC.

Reeves, T. C. (1981, April). *A secondary analysis of implementation data according to a model of classroom processes*. Paper presented at the Annual Meeting of the American Educational Research Association, Los Angeles, CA.

Holloway, R. E., & Reeves, T. C. (1980, May). *A methodology for assessing the implementation of educational innovations: Analysis and revision*. Paper presented at the Annual Convention of the International Communications Association, Acapulco, Mexico.

Reeves, T. C., & Holloway, R. E. (1979, May). *The development and use of a measure of the implementation of the PSI instructional design*. Paper presented at the Fifth National Conference on Personalized Instruction, Washington, DC.

Reeves, T. C., & Holloway, R. E. (1979, April). *Evaluating the implementation of an instructional design across settings*. Paper presented at the Annual Meeting of the American Educational Research Association, San Francisco, CA.

Reeves, T. C., & Holloway, R. E. (1978, April). *Validating the outcomes of ID: Conflicting agendas*. Paper presented at the Annual Convention of the Association for Educational Communications and Technology, Kansas City, MO.

Reeves, T. C., Kelly, E. F., & Hargrett, N. T. (1978, March). *The comparability of freshman English courses taught in high school and at a university*. Paper presented at the Annual Meeting of the American Educational Research Association, Toronto, Canada.

## **REGIONAL, STATE, AND LOCAL**

Lo, C. P., Affolter, J., & Reeves, T. C. (1996, November). *Integrating geographic information systems and multimedia for environmental literacy education*. Paper presented at the 51st Annual Meeting of the Southeastern Division of the Association of American Geographers (SDEAAG), Athens, GA.

Affolter, J., Lo, C. P., & Reeves, T. C. (1996, October). *Using multimedia and geographic information systems to promote environmental literacy*. Paper presented at the University System Annual Computing Conference, Rock Eagle, GA.

Reeves, T. C. (1992, October). *Evaluating interactive multimedia in higher education*. Paper presented at the University System Annual Computing Conference, Rock Eagle, GA.

Reeves, T. C. (1992, March). *The teacher's workstation: Performance support for classroom instruction and management*. Paper presented at the Fifteenth Annual Conference of the Eastern Educational Research Association, Hilton Head, SC.

Reeves, T. C. (1992, March). *Interactive multimedia: Looking into the future*. Invited keynote address at the North Florida Instructional Technology Conference, Jacksonville, FL.

Gustafson, K. L., & Reeves, T. C. (1991, October). *ID Library: A performance support system for instructional designers*. Paper presented at University System of Georgia Educational Computing Conference, Rock Eagle, GA.

Reeves, T. C. (1987, April). *What is CD-ROM?* Paper presented at "Media at the Center" Conference, The University of Georgia, Athens, GA.

Reeves, T. C. (1985, April). *New directions in library applications of interactive videodiscs*. Paper presented at "The Libraries of Tomorrow: Past and Present" Conference, Kentucky Library Association, Richmond, KY.

Reeves, T. C. (1984, December). *Evaluation of computer-based instruction in schools: An administrator's primer*. Paper presented at the Georgia Educational Research Association Conference, Atlanta, GA.

Reeves, T. C. (1980, December). *The measurement of implementation in the evaluation of education programs*. Paper presented at the University of South Carolina Conference on Educational Research, Columbia, SC.

## **SELECTED ADDRESSES, SYMPOSIUMS, AND TELECONFERENCES**

---

### **INTERNATIONAL AND NATIONAL**

Reeves, T. C. (2017, November). *Conation: Its key role in leading learning for change*. Invited keynote presentation at the 2017 Association for Educational Communications and Technology (AECT) Annual International Convention, Jacksonville, FL.

Reeves, T. C. (2017, November). *Reorienting educational technology research to foster change*. Invited Presidential session at the 2016 Association for Educational Communications and Technology (AECT) Annual International Convention, Jacksonville, FL.

Reeves, T. C. (2017, August). *The importance of media literacy in the age of machine learning*. Invited keynote presentation at Que Leer? Cómo Leer: Lectura e Inclusión 2017, Santiago, Chile.

Reeves, T. C. (2017, July). *Human learning, machine learning, and e-learning: Conflict or confluence?* Invited keynote presentation at E-Learning 2017, Lisbon, Portugal.

Reeves, T. C. (2017, July). *Where there's will, they're away! The importance of the conative domain for first-year college success and beyond*. Invited keynote presentation at STARS 2017, Adelaide, South Australia.

Reeves, T. C. (2017, June). *The importance of the conative domain in STEAM education*. Invited keynote presentation presented at the Educational Computing Association of Western Australia (ECAWA) Conference, Perth, Western Australia.

Reeves, T. C. (2016, October). *Human learning and machine learning: A partnership for creative design*. Invited Presidential session at the 2016 Association for Educational Communications and Technology (AECT) Annual International Convention, Las Vegas, NV.

Reeves, T. C. (2016, August). *New Instructional design models and processes for online learning*. Invited spotlight presentation at the Distance Education 2016 Conference, University of Wisconsin, Madison, WI.

Bonk, C. J., & Reeves, T. C. (2016, August). *Personalizing the MOOC: Insights from experts around planet earth*. Invited spotlight presentation at the Distance Education 2016 Conference, University of Wisconsin, Madison, WI.

Bonk, C. J., Lee, M. M., & Reeves, T. C. (2016, April). *The 3Ts MOOCs debate: Targets, types, and tensions*. Special debate session of the Computer and Internet Applications in Education Special Interest Group Business Meeting during the 2016 American Educational Research Association (AERA) Annual Meeting, Washington, DC.

Bonk, C. J., Lee, M. M., Reeves, T. C., & Ziaee, Y. (2015, November). *Multimedia in MOOCs: Best practices for cultural inclusion*. Invited Presidential session at the 2015 Association for Educational Communications and Technology (AECT) Annual International Convention, Indianapolis, IN.

Reeves, T. C. (2014, September). *E-learning: The research we have and the research we need*. Invited keynote presentation at E-Learning Korea 2014, Seoul, Republic of Korea.

- McKenney, S. E., & Reeves, T. C. (2014, July). *Building a research agenda using design-based research (DBR)*. Professional Development Webinar for the Research & Theory Division of the Association for Educational Communications and Technology. Available at: <https://cc.readytalk.com/cc/playback/Playback.do?id=bifjd5>.
- Reeves, T. C. (2014, February). *Authentic learning: Learners, task design, and research*. Invited keynote presentation at the Authentic Learning Conference, The University of Johannesburg, South Africa.
- Reeves, T. C. (2014, February). *Open learning requires open minds: The challenges of online and blended learning environments for NetGen students and their instructors*. Invited keynote presentation at the Chais Conference for Innovation and Learning Technologies, The Open University of Israel.
- Reeves, T. C. (2013, November). *Optimizing online pedagogy with authentic tasks*. Invited keynote presentation at the Online Learning Workshop, Nanyang Technological University, Singapore.
- Reeves, T. C. (2013, November). *Alignment: The key to effective online learning*. Invited online presentation for Wiley Learning Institute and the Association for Educational Communications and Technology. Available at: <http://wileylearninginstitute.com/community/groups/alignment-the-key-to-effective-online-learning/>.
- Reeves, T. C. (2013, October). *Educational design research: If not now, when?* Invited keynote presentation at the Annual International Convention of the Association for Educational Communications and Technology, Anaheim, CA.
- Reeves, T. C. (2013, September). *Educational design research: If it's so valuable, why is it so rare?* Invited keynote presentation at Design Based Research Conference, Athens, GA.
- Reeves, T. C. (2013, July). *The quality of learning in MOOCs*. Invited keynote presentation at E-Learning 2013 Conference, Prague, Czech Republic.
- Reeves, T. C. (2013, June). *From Calgary to Victoria and around the world: Reflections on 25 Ed-Media conferences*. Invited presentation at ED-MEDIA 2013, World Conference on Educational Media and Technology, Victoria, BC, Canada.
- Reeves, T. C. (2012, November). *Educational design research: Overcoming the "no significant differences" problem*. Invited presentation at EDUCAUSE 2012, Denver, CO.
- Reeves, T. C. (2012, September). *Learning4All review*. Invited presentation at Workshop on Technology, Education and Inclusion, Politecnico of Milano, Italy.
- Reeves, T. C. (2012, May). *Collaboration in educational design research: The experiences of two PhD students and one professor*. Invited presentation at the International Conference on Design based research, University of Twente, The Netherlands.
- McKenney, S. E., & Reeves, T. C. (2012, April). *Just as good is no longer acceptable: The promise of educational design research*. Invited presentation for ELI Webinar Series. Available at: <http://net.educause.edu/eli125>.
- Reeves, T. C. (2012, March). *Educational design research in educational technology: A way forward*. Invited presentation at the "Technology Enhanced Professional Learning Seminar Series" held at the Caledonian Academy, Glasgow Caledonian University, Scotland, United Kingdom.
- Reeves, T. C. (2011, November). *Assessing large class groups in an online environment*. Invited presentation at the "Open Universities Australia (OUA) Learning and Teaching Quasar Forum" held at the Royal Melbourne Institute of Technology, Melbourne, Australia.

- Reeves, T. C. (2011, July). *Authentic tasks and collaborative group work: Keys factors for effective e-learning*. Invited closing keynote presentation at Share-E-Fest 2011, WINTEC, Hamilton, New Zealand.
- Reeves, T. C. (2011, July). *The learning sciences and junk science: The good and bad effects of research on the design and use of e-learning*. Invited opening keynote presentation at Share-E-Fest 2011, WINTEC, Hamilton, New Zealand.
- Reeves, T. C. (2011, April). *Using evaluation tools effectively*. Invited plenary presentation for ELI 2011 Online Spring Focus Session: Seeking Evidence of Impact. Available at: <http://net.educause.edu/eli113>.
- Reeves, T. C. (2011, March). *Informal learning and e-learning: An educational design research agenda*. Invited keynote presentation at the Red-Conference – Rethinking Education in the Knowledge Society, Ascona, Switzerland.
- Reeves, T. C. (2010, December). *Open learning requires open minds: The challenges of online and blended learning environments for 'Generation Me' students and their instructors*. Invited address at the Australasian Society for Computers in Learning in Tertiary Education (ASCILITE) Conference, Sydney, New South Wales, Australia.
- Reeves, T. C. (2010, June). *Socially responsible educational technology research*. Invited presentation at ED-MEDIA 2010, World Conference on Educational Multimedia, Hypermedia, and Telecommunications, Toronto, ON, Canada.
- Reeves, T. C. (2010, March). *Can educational research be both rigorous and relevant?* Invited keynote address at the Educational Design Research: Local Change & Global Impact Conference, The University of Georgia, Athens, GA, USA.
- Reeves, T. C. (2009, August). *The challenges and opportunities of online and blended learning environments for 'Generation Me' students*. Invited keynote address at the Taste of Technology Day, University of Alberta, Canada.
- Reeves, T. C. (2009, August). *Focus on the learner's perspective: Emerging models*. Invited panelist at the 25th Annual Conference on Distance Learning and Teaching, University of Wisconsin, Madison, WI.
- Reeves, T. C. (2009, July). *Enhancing VTE through traditional, blended and online learning environments based upon authentic activities*. Invited teleconference address at the 2nd International Conference on Vocational Education and Training (VTE 2009), Singapore.
- Champion, H., Reeves, T. C., Aggen, W. D., & Meglan, D. (2009, July). *Validation issues for medical simulation*. Invited address at the Psychometrics of Games and Simulations Workshop sponsored by the Office of Naval Research and the Institutes for Educational Sciences, and the National Center for Research on Evaluation, Standards, and Student Testing, University of California at Los Angeles, Redondo Beach, CA.
- Reeves, T. C. (2009, June). *Little learning, big learning: In defense of authentic tasks*. Invited keynote at ED-MEDIA 2009, World Conference on Educational Multimedia and Hypermedia, Honolulu, HI.
- Reeves, T. C. (2008, November). *Putting the "public" back in publication: A call for design research in educational technology*. Invited Presidential Address at Annual Conference of the Association for Educational Communications and Technology, Orlando, FL.
- Reeves, T. C. (2008, September). *Open learning requires open minds: The challenge of online and blended learning environments for 'Generation Me' students*. Invited keynote presentation at the 13th Annual Conference of the Society for Media in Science 2008 (GMW08), Krems, Austria.
- Reeves, T. C. (2008, July-August). *Clarifying and assessing student learning outcomes*. Invited presentation at the Instructional Strategies for Blended & Online Learning Conference, Academic Impressions, Park City, UT.

Reeves, T. C. (2008, May). *E-learning: What works and why*. Invited keynote presentation at the Biennial Training Conference of the Parenteral Drug Association (PDA), New Orleans, LA.

Reeves, T. C. (2008, February). *Learning by design: The importance of alignment*. Invited presentation at NTU Teaching and Learning Seminar: from Good to Great 2008 – Building Bridges....Fostering Learning, Nanyang Technological University, Singapore.

Reeves, T. C. (2008, February). *Integrating technology to engage student learning: Meeting the challenges of the Millennial Generation*. Invited presentation at NTU Teaching and Learning Seminar: from Good to Great 2008 – Building Bridges....Fostering Learning, Nanyang Technological University, Singapore.

Reeves, T. C. (2008, January). *Technology and the conative learning domain in undergraduate education*. Invited presentation at EDUCAUSE ELI 2008, San Antonio, TX.

Reeves, T. C. (2007, October). *Authentic tasks and assessments: The keys to effective e-learning in higher education*. Invited presentation at EDUCAUSE 2007, Seattle, WA.

Reeves, T. C. (2007, June). *Teaching and assessing what undergraduates really need to learn: Technology and the conative domain*. Invited presentation at ED-MEDIA 2007, World Conference on Educational Multimedia and Hypermedia, Vancouver, BC, Canada.

Reeves, T. C. (2007, May). *Design-based research: A win-win approach to inquiry that matters*. Invited teleconference presentation the Electronic Support for Learning and Teaching Symposium at The Open University, The Netherlands.

Reeves, T. C. (2007, February). *Integrating technology into blended learning: The importance of alignment*. Invited teleconference presentation at the NTU Teaching and Learning Seminar – Blended Learning from Theory to Practice, Nanyang Technological University, Singapore.

Reeves, T. C. (2006, November). *What undergraduates really need to learn: Technology and the conative domain*. Invited keynote presentation at the Committee on Institutional Cooperation (CIC) Learning Technology Group Conference, University of Minnesota, Minneapolis, MN.

Reeves, T. C. (2006, October). *Evaluating e-learning: What works and why*. Invited keynote presentation at the HRD and E-Learning Conference, Chung Ang University, Seoul, Republic of Korea.

Reeves, T. C. (2006, August). *Alignment: The lynchpin of successful online learning in higher education*. Invited presentation at the Instructional Strategies for Blended & Online Learning Conference, Academic Impressions, Pittsburgh, PA.

Reeves, T. C. (2006, July). *Mixed methods applied to design-based research*. Presentation at Mixed Methods Research Conference, Cambridge University, Cambridge, UK.

Reeves, T. C. (2006, June). *Changing how we evaluate the impact of computers in education in a flat world*. Invited keynote presentation at the 10th International Global Chinese Conference on Computers in Education, Beijing, China.

Berger, C., & Reeves, T. C. (2005, November). *Assessment and evaluation in a ubiquitous environment: Real research and practical tools*. Invited presentation at the Apple Digital Campus Leadership Institute, Georgia College and State University, Milledgeville, GA.

Reeves, T. C. (2005, July). *What makes you think they are really learning even if you are really teaching?* Invited keynote presentation as the First Annual Teaching and Learning Scholar at the University of Canberra, Canberra, ACT, Australia.

- Reeves, T. C. (2004, December). *Digital libraries as cognitive tools*. Invited keynote presentation at the eAgenda Summit, San Diego, CA.
- Hanson, K., & Reeves, T. C. (2004, November). *Which data to capture and how?* Presentation at the Annual Meeting of the National Science Digital Library, Chicago, IL.
- Reeves, T. C. (2004, November). *What makes you think they are really learning? The key question for e-learning assessment*. Invited keynote address at the E-Learn 2004 Conference, Washington, DC.
- Reeves, T. C. (2004, October). *New directions for research on web-based learning*. Invited keynote presentation at the WWW/Internet Conference, Madrid, Spain.
- Reeves, T. C. (2004, August). *The will to fly: E-learning and the challenge of the conative domain*. Invited keynote presentation at the eAgenda Roundtable, Gold Coast, Queensland, Australia.
- Reeves, T. C. (2004, July). *Online learning: Getting beyond "no significant differences"*. Invited keynote presentation at CALMet 2004, Boulder, CO.
- Reeves, T. C. (2004, March). *Are "no significant differences" enough? The realities of online learning in higher education*. Invited keynote address at the 15th National Conference on College Teaching and Learning, Jacksonville, FL.
- Reeves, T. C. (2004, March). *Development research: A key strategy for improving teacher education through technology*. Invited keynote address at the Society for Information Technology and Teacher Education (SITE) Conference, Atlanta, GA.
- Reeves, T. C. (2004, March). *What makes you think they are really learning?* Invited keynote presentation at the eAgenda International Forum, Atlanta, GA.
- Reeves, T. C. (2003, December). *Saving educational technology from irrelevance: Design research from the technology perspective*. Invited address at the National Educational Council of The Netherlands Design Research Expert Meeting, Amsterdam, The Netherlands.
- Reeves, T. C. (2003, October). *The myths, realities, and unknowns of online learning*. Invited keynote presentation at the WWW/Internet Conference, Algarve, Portugal.
- Reeves, T. C., Herrington, J., & Oliver, R. (2003, October). *The importance of authentic activities in Web-based higher education courses*. Presentation at the Annual Conference of the Association for Educational Communications and Technology, Anaheim, CA.
- Reeves, T. C. (2003, October). *NSDL and education: Context it now!* Invited address at the Annual Meeting of the National Science Digital Library, Washington, DC.
- Reeves, T. C. (2003, August). *Digital libraries as cognitive tools: The case for DLESE*. Invited keynote presentation at the Annual Meeting of the Digital Library for Geosciences Education, Boulder, CO.
- Reeves, T. C. (2002, July). *The promise and perils of emerging technologies in student-centered learning*. Invited keynote presentation at the iTopia 2002 Conference, Singapore.
- Reeves, T. C. (2002, July). *The future of academic staff: Visions of tertiary teaching in the 21<sup>st</sup> Century*. Invited keynote presentation at the Higher Education Research and Development Society of Australasia (HERDSA) Conference, Perth, Western Australia.

- Reeves, T. C., & Aggen, W. D. (2002, April). *Integrating advanced assessment strategies into e-learning*. Invited presentation presented at E-Learning 2002, Washington, DC.
- Reeves, T. C. (2002, February). *Assessment and evaluation: Parallel challenges in e-learning*. Invited presentation presented at Training 2002, Atlanta, GA.
- Reeves, T. C. (2001, October). *Evaluating interactive learning*. Invited presentation presented at TechLearn 2001, Orlando, FL.
- Reeves, T. C. (2001, June). *E-Learning and the professorate: The issue of productivity*. Invited Speaker presentation at ED-MEDIA 2001, Tampere, Finland.
- Reeves, T. C. (2000, October). *Evaluating the outcomes of interactive learning technologies: Challenges and strategies for the 21<sup>st</sup> Century*. Invited keynote address presented at LEARN (Learning Evaluation and Research Network) Conference 2000, University of Alberta, Edmonton, Alberta, Canada.
- Reeves, T. C. (2000, August). *Multimedia design research: A key strategy for distance teaching and learning*. Invited spotlight presentation at the Distance Education 2000 Conference, University of Wisconsin, Madison, WI.
- Reeves, T. C., Miller, M. G., & Kolasa, K. M. (1999, October). *Evaluating multimedia courses: What can you learn?* Invited presentation at the 82<sup>nd</sup> Annual Meeting of the American Dietetic Association, Atlanta, GA.
- Reeves, T. C. (1999, October). *Exemplary models of web-based learning*. Invited moderator for national PBS Teleconference originating from Florida Community College, Jacksonville, FL.
- Reeves, T. C. (1999, September). *Teaching and learning online: Opportunities and responsibilities*. Invited keynote address at NET\*WORKING 99, Melbourne, Victoria, Australia.
- Reeves, T. C. (1999, March). *Evaluating computers as cognitive tools for learning*. Invited address at the First Annual Congress on the Impact of Technology on Learning, Wake Forest University, Winston-Salem, NC.
- Reeves, T. C. (1998, November). *Web-based pedagogy: From the trenches of academe*. Invited address at Web Pedagogy Seminar, WebNet 98, Orlando, FL.
- Reeves, T. C. (1998, October). *Evaluating the WWW as a cognitive tool for learning*. Invited keynote address at LINKS98, Stockholm, Sweden.
- Reeves, T. C. (1998, October). *Hollywood images of education*. Address at 1998 International Visual Literacy Association 30<sup>th</sup> Annual Conference, Athens, GA.
- Reeves, T. C. (1998, October). *Pedagogical and design dimensions of the Virtual Practicum for public health professionals in the 21<sup>st</sup> century*. Invited address at Distance Learning for Public Health Conference, Dartmouth Medical School, Dartmouth, NH.
- Reeves, T. C. (1998, January). *Using technology as a cognitive tool*. Invited keynote address at the 15th Annual International TAM Conference on Special Education and Technology, Atlanta, GA.
- Reeves, T. C. (1997, October). *Models of successful integration of media and technology: Evidence in schools across the nation and around the globe*. Invited address at "The Difference Media Make in Schools" Conference, Sponsored by the Bertelsmann Foundation, Atlanta, GA.
- Reeves, T. C. (1997, June). *Mental models in science education*. Invited keynote address at the Summer UNIDATA Workshop, University Consortium for Atmospheric Research, Boulder, CO.

- Reeves, T. C. (1997, April). *The model of the effective dimensions of learning on the World Wide Web in higher education*. Invited keynote address at the 8th National Conference on College Teaching and Learning, Jacksonville, FL.
- Reeves, T. C. (1996, June). *A model of the effective dimensions of interactive learning on the World Wide Web*. Invited address at ED-MEDIA '96 - World Conference on Educational Multimedia and Hypermedia, Boston, MA.
- Reeves, T. C. (1996, May). *Evaluating interactive multimedia for education and training*. Invited address at Multimedia '96, Toronto, Canada.
- Reeves, T. C. (1996, February). *Evaluating cultural diversity in instructional materials*. Invited presentation at the Annual Conference of the Association for Educational Communications and Technology, Indianapolis, IN.
- Reeves, T. C. (1996, January). *Obsessing becoming: A film by Daniel M. Reeves*. Film showing moderated at the Qualitative Research in Education Conference, The University of Georgia, Athens, GA.
- Reeves, T. C. (1994, September). *Evaluating the effectiveness and impact of interactive instruction*. Invited presentation at EDUCANDO '94, Sao Paulo, Brazil.
- Reeves, T. C. (1994, September). *Effective pedagogical dimensions of interactive learning systems*. Invited presentation at Department of Education, State of Rio, Rio de Janeiro, Brazil.
- Reeves, T. C. (1993, December). *Interactive learning systems as mind tools*. Invited presentation to the Technology Schools Conference, University of Wollongong, New South Wales, Australia.
- Reeves, T. C. (1993, September). *Media and multimedia in microbiology: Whatever happened to agar-agar?* Invited keynote presentation at the Australian Society for Microbiology (ASM) Conference, Perth, Western Australia.
- Fontana, L. A., Cates, W., Peterson, G., & Reeves, T. C. (1992, November). *Multimedia in action: The realities of the education marketplace*. Symposium held at COMDEX/Fall '92, Las Vegas, NV.
- Reeves, T. C., Gustafson, K. L., & Tillman, M. H. (1992, April). *The future of instructional design: Looking at 2001*. Address at the National Society for Performance Instruction Conference, Miami, FL.
- Reeves, T. C. (1991, May). *Interactive multimedia in higher education*. International Teleconference originated at George Washington University, Washington, DC.
- Reeves, T. C. (1989, June). *Instructional software evaluation: Overview and new directions*. Invited address at the Annual IBM Academic Computing Conference, Anaheim, CA.
- Reeves, T. C. (1988, April). *Technology transfer: The influence of military and industrial training on higher education*. Invited keynote address at the Second Annual Conference on Advancements in Training Technology, National Science Center, Augusta, GA.
- Reeves, T. C. (1988, February). *Professional training and development*. Invited address at the National Conference on Postsecondary Utilization of Videodisc, Lincoln, NE.
- Reeves, T. C. (1987, June). *Instructional design for videodisc*. Invited address at the IBM Seminar for Deans of Schools of Education, Athens, GA.
- Reeves, T. C. (1987, May). *Courseware evaluation*. Invited keynote presentation for the meeting of the Strategic Productivity Theme Task Force on Human Resources Development, National Technical Information Service, United States Department of Commerce, Washington, DC.

Childs, J. W., King, J. M., Reeves, T. C., Soulier, S., & Aggen, W. D. (1987, February). *Interactive instructional systems: Effectiveness and efficiency*. Symposium presented at the Annual Conference of the Association for Educational Communications and Technology, Atlanta, GA.

Reeves, T. C., & King, J. M. (1987, February). *Evolving technologies*. Invited presentation at the Winter Conference of the Consortium of University Film Centers, Atlanta, GA.

Reeves, T. C. (1986, November). *Development of interactive computer/videodisc training materials for science teachers*. Invited presentation at the First Annual IBM Educational Systems Conference, Orlando, FL.

Reeves, T. C. (1986, April). *Interactive video*. Invited presentation at the 4th Annual Computers in Nursing Conference, Columbus, OH.

Reeves, T. C. (1985, July). *Applications of the videodisc in horticultural interests*. Invited presentation at the 82nd Annual Meeting of the American Society for Horticultural Science, Virginia Polytechnic Institute and State University, Blacksburg, VA.

### **REGIONAL, STATE, AND LOCAL**

Reeves, T. C., & Kartoğlu, U. (2017, November). *Authentic learning*. Invited presentation at Hacettepe University, Ankara, Turkey.

Reeves, T. C. (2017, August). *Teaching and learning strategies for the 4Cs: Critical thinking, communication, collaboration and creativity*. Invited presentation at the Pontificia Universidad Catolica de Chile, Santiago, Chile.

Reeves, T. C. (2017, July). *Educational design research: Balancing rigor and relevance*. Invited presentation at the University of Minho, Braga, Portugal.

Reeves, T. C. (2017, June). *Developing online experiential learning through educational design research*. Invited presentation at Murdoch University, Perth, West Australia.

Reeves, T. C. (2016, November). *Authentic learning at a distance: Not easy, but it can be done*. Invited keynote presentation at EDUCATION 20/20: Innovative Teaching and Learning at a Distance Conference, University of Houston, TX.

Reeves, T. C. (2016, November). *The importance of evaluating alignment in distance education*. Invited breakout presentation at EDUCATION 20/20: Innovative Teaching and Learning at a Distance Conference, University of Houston, TX.

Reeves, T. C. (2016, February). *Educational design research: Balancing relevance and rigor*. Invited seminar at the Educational Technology Program, College of Education, University of Florida, Gainesville, FL.

Reeves, T. C. (2016, January). *So you think you're smarter than a robot: The race between human learning and deep learning*. The Annual Founders Day Lecture, The University of Georgia, Athens, GA.

Reeves, T. C. (2015, November). *Developing online experiential learning through educational design research*. Invited seminar at the Department of Instructional Systems Technology, School of Education, Indiana University, Bloomington, IN.

Reeves, T. C. (2015, September). *Learning under your own STEAM: The importance of the conative domain*. Invited address at STEAM3 2015 Conference, Georgia State University, Atlanta, GA.

Reeves, T. C. (2015, September). *On the bus and online: An application of educational design research*. Invited keynote at Design, Development, and Research Conference, The University of Georgia, Athens, GA.

- Reeves, T. C. (2014, September). *MOOCs: Let's get real*. Invited presentations at Korea University, Korean National Open University, and Ewha Womans University, Seoul, Republic of Korea.
- Reeves, T. C. (2014, September). *Open learning requires open minds: The challenges of interactive learning environments for 'millennial' students and their instructors in university settings*. Invited presentation at Ewha Womans University, Seoul, Republic of Korea.
- Reeves, T. C. (2014, June). *Medical education: What would Abraham Flexner find today?* Invited presentation for the Faculty of Medicine, Akdeniz University, sponsored by the Global Learning Opportunities for Vaccine Quality Talkspot Series of the World Health Organization, Antalya, Turkey.
- Reeves, T. C. (2014, February). *Educational design research*. Invited presentation, Cape Peninsula University of Technology, Cape Town, South Africa.
- Reeves, T. C. (2014, February). *Socially responsible educational technology research: The promise of educational design research*. Invited presentation, The Open University of University, Israel.
- Reeves, T. C. (2013, December). *Enhancing online and blended learning with authentic tasks*. Invited presentation, Temasek Polytechnic, Singapore.
- Reeves, T. C. (2013, November). *iTeacher: The challenge of learning from, with and about media and technology*. Invited address, Ramkrishna More Arts, Commerce, and Science College, Akurdi, Pune, India.
- Reeves, T. C. (2013, March). *iTeacher: The challenge of learning from, with and about media and technology*. Invited keynote address, Education Week, University of Missouri, Columbia, MO.
- Reeves, T. C. (2012, March). *Teaching and learning with technology: Fifty years and counting*. Invited address at the Using Technology to Enhance Teaching, Learning, and Practice in the Health-Related Professions Conference, The University of Georgia, Athens, GA.
- Reeves, T. C. (2011, November). *Assessing large class groups in an online environment*. Invited presentation at the "Open Universities Australia (OUA) Learning and Teaching Quasar Forum" held at the Royal Melbourne Institute of Technology, Melbourne, Australia.
- Reeves, T. C. (2011, July). *Authentic tasks: A key component of interactive learning in blended and online environments*. Invited keynote presentation at the "Teaching with the Top Down: Adventures in Interactive Learning" Symposium held at Massey University, Palmerston North, New Zealand.
- Reeves, T. C. (2011, July). *Open learning requires open minds: The challenges of online and blended learning environments for 'Generation Me' students and their instructors*. Invited presentation at the University of Otago, Dunedin, New Zealand.
- Reeves, T. C. (2011, July). *Administrative support for blended learning at MIT*. Invited presentation at the Manukau Institute of Technology (MIT), Auckland, New Zealand.
- Reeves, T. C. (2010, December). *Can educational design research save us?* Invited presentation at Edith Cowan University, Perth, West Australia.
- Reeves, T. C. (2010, December). *How can be sure that they are really learning? – Meeting the assessment challenge in blended and online learning environments*. Invited presentation at Curtin University, Perth, West Australia.
- Reeves, T. C. (2010, December). *Aligning seven critical factors: The key to effective teaching practice*. Invited presentation at Murdoch University, Perth, West Australia.

Reeves, T. C. (2010, February). *Design research: If not now, when?* Invited presentation at Open University of The Netherlands, Heerlen, The Netherlands.

Reeves, T. C. (2010, February). *Design research in education.* Invited presentation at Pedagogical Centre, NHL Hogeschool, Zwolle, The Netherlands.

Reeves, T. C. (2009, November). *Does technology enhance learning of health care professionals: What is the evidence?* Invited address for the Evidence-Based Practice in the Health Professional Seminars, The University of Georgia.

Reeves, T. C. (2009, March). *Designing online and blended courses with authentic activities.* Invited address to the faculties of the Higher Colleges of Technology, Dubai, United Arab Emirates.

Reeves, T. C. (2009, February). *Alignment: The key to successful learning environments; Assessment and evaluation: How will you know what has been learned; and E-course design for GTN/VQ.* Invited presentations presented to the Global Training Network for Vaccine Quality Consultative Group Meeting, World Health Organization, Antalya, Turkey.

Reeves, T. C. (2008, September). *Learning from, with, and about technology in primary and secondary education.* Invited seminar presented to the Faculty of Pedagogy at Charles University of Prague, The Czech Republic.

Reeves, T. C. (2008, September). *The keys to successful learning environments.* Invited seminar presented to the Global Training Network for Vaccine Quality, World Health Organization, Geneva, Switzerland.

Reeves, T. C. (2008, February). *Can design research save educational technology?* Invited seminar presented to the Learning Sciences and Technologies Group at the National Institute of Education (NIE), Singapore.

Reeves, T. C. (2008, February). *Evaluation of teaching and learning grants: Six functions of evaluation.* Invited seminar presented to the Centre for Educational Development and Interactive Resources (CEDIR) staff at the University of Wollongong, New South Wales, Australia.

Reeves, T. C. (2008, February). *The forgotten conative learning domain and its implications for tertiary education in the 21<sup>st</sup> Century.* Invited seminar presented to the Research Centre for Interactive Learning Environments (RILE) at the University of Wollongong, New South Wales, Australia.

Reeves, T. C. (2008, February). *Evaluation is the key to successful teaching and learning innovations.* Invited seminar presented to the Heads of Schools at the University of Wollongong, New South Wales, Australia.

Reeves, T. C. (2007, October). *Evaluating online and blended learning environments.* Invited seminar presented to the faculty at the School of Social Work, The University of Alabama, Tuscaloosa, AL.

Reeves, T. C. (2005, August). *The impact of digital libraries on teaching and learning.* Invited seminar presented to the faculty at the University of Canberra, ACT, Australia.

Reeves, T. C. (2005, August). *What does research tell us about e-learning?* Invited seminar presented to the faculty at the University of Canberra, ACT, Australia.

Reeves, T. C. (2005, August). *Authentic tasks for online teaching and learning.* Invited seminar presented to the faculty at the University of Canberra, ACT, Australia.

Reeves, T. C. (2005, August). *Developing appropriate learning environments across all delivery modes.* Invited seminar presented to the faculty at the University of Canberra, ACT, Australia.

Reeves, T. C. (2005, August). *Sustaining enthusiasm for evaluating subjects and teaching.* Invited seminar presented to the faculty at the University of Canberra, ACT, Australia.

Reeves, T. C. (2005, July). *Digital libraries: The ultimate cognitive tool or just another repository*. Invited seminar presented to the faculty at the University of Wollongong, New South Wales, Australia.

Reeves, T. C. (2005, July). *Improving your teaching with technology: The importance of alignment*. Invited seminar presented to the faculty at Edith Cowan University, Perth, Western Australia.

Reeves, T. C. (2005, June). *The will to fly: Educational technology and the challenge of the conative domain*. Invited keynote presentation at the College Board and Advanced Placement Conference, Georgia Center for Continuing Education, Athens, GA.

Reeves, T. C. (2004, December). *Design research for advancing the integration of digital technologies into teaching and learning*. Invited seminar presented to the faculty at Columbia University, New York, NY.

Reeves, T. C. (2004, September). *The National Science Digital Library: The importance of education contextualization*. Invited seminar presented to the faculty at the Georgia Institute of Technology, Atlanta, GA.

Reeves, T. C. (2004, May). *Saving educational technology from irrelevance: Design research from the technology perspective*. Invited seminar presented to the faculty at the University of Wollongong, New South Wales, Australia.

Reeves, T. C. (2004, May). *The challenges of online learning in contemporary tertiary education*. Invited seminar presented to the faculty at the University of Wollongong, New South Wales, Australia.

Reeves, T. C. (2004, February). *Digital higher education: Five challenges that must be met*. Invited seminar presented to the faculty at the University of Twente, Enschede, The Netherlands.

Reeves, T. C. (2004, July). *The role of digital libraries in learning from, with, and about media and technology*. Invited seminar presented to the staff at the National Environmentally Sound Production Agriculture Laboratory (NESPAL), Tifton, GA.

Reeves, T. C. (2002, October). *Learning from, with, and about media and technology: Three approaches to building Georgia's learning communities*. Invited keynote presentation at the Georgia Consortium of Media Organizations (COMO) Annual Conference, Athens, GA.

Reeves, T. C. (2001, November). *Online teaching and faculty productivity*. Invited presentation at the Georgia Southern Colloquium on Teaching, Georgia Southern University, Statesboro, GA.

Reeves, T. C. (2001, November). *E-Learning and the professorate: The issue of productivity*. Seminar sponsored by the Office of Instructional Support and Development and the Department of Instructional Technology at The University of Georgia, Athens, GA.

Reeves, T. C. (2001, September). *The benefits and demands of using technology to enhance teaching*. Invited keynote presentation at the Shorter College Symposium on Technology in Teaching, Rome, GA.

Reeves, T. C. (2001, August). *E-learning and faculty productivity*. Online presentation for EPIC Learning, Originating from the Department of Instructional Technology, The University of Georgia, Athens, GA.

Reeves, T. C. (2001, May). *Teaching and learning online: Opportunities and responsibilities*. Invited presentation at Edith Cowan University, Perth, Western Australia.

Reeves, T. C. (2001, May). *Teaching and learning online: Opportunities and responsibilities*. Invited presentation at the University of Wollongong, New South Wales, Australia.

Reeves, T. C. (2001, April). *Evaluation case studies*. Presentation for the Instructional Design and Technology Certificate Program, Gwinnett Center, The University of Georgia, Athens, GA.

Reeves, T. C. (2001, April). *Teaching and learning online: Opportunities and responsibilities*. Invited keynote presentation at the Technology Expo 2001, The University of Georgia, Athens, GA.

Reeves, T. C. (2001, April). *Teaching and learning online: Opportunities and responsibilities*. Presentation at the Design: Connect, Create, and Collaborate Conference at The University of Georgia, Athens, GA.

Reeves, T. C. (2001, March). *E-learning and the scholarship of teaching*. Invited keynote address presented at the Kennesaw State University E-Learning Retreat, Dillard, GA.

Reeves, T. C. (2000, October). *Teaching and learning online: Opportunities and responsibilities*. Invited presentation at the Pathways Colloquia, Academic Technologies for Learning and Faculty Extension, University of Alberta, Edmonton, Alberta, Canada.

Reeves, T. C. (2000, June). *New approaches to assessment and evaluation in digital learning environments*. Invited seminar presented to the faculty at Columbia University, New York, NY.

Reeves, T. C. (2000, May). *Teaching and learning online: Opportunities and responsibilities*. Invited seminar presented to the faculty at North Carolina State University, Raleigh, NC.

Reeves, T. C. (2000, February). *Teaching and learning online: Opportunities and responsibilities*. Invited keynote address presented at the Lilly Conference on College & University Teaching, Georgia Center for Continuing Education, Athens, GA.

Reeves, T. C. (1999, June). *Using technologies as cognitive tools*. Invited seminar presented to the faculty at the University of Victoria, Victoria, B.C., Canada.

Reeves, T. C. (1999, May). *Lessons from two decades of multimedia project management*. Invited presentation for the School of Communications and Multimedia, Edith Cowan University, Perth, Western Australia.

Reeves, T. C. (1999, May). *Online learning: A model of critical factors*. Invited presentation for West One, Perth, Western Australia.

Reeves, T. C. (1999, May). *Online learning: Promises, realities, and trends*. Invited presentation for the Learning Systems and Resources Standing Committee, Technical and Further Education Center of South Australia, Adelaide, South Australia.

Reeves, T. C. (1998, June). *High quality distance learning for health professionals: Criteria for design and evaluation*. Invited seminar presented to the Public Health faculty at the University of North Carolina, Chapel Hill, NC.

Reeves, T. C. (1998, June). *Evaluating learning via the WWW in higher education*. Invited seminar presented to the faculty at the University of Tennessee, Knoxville, TN.

Reeves, T. C. (1998, March). *Using the World Wide Web as a cognitive tool in higher education*. Invited seminar presented to the faculty and students at The Florida State University, Tallahassee, FL.

Reeves, T. C. (1998, January). *Evaluating interactive learning in higher education*. Invited seminar presented to the faculty at the Armstrong State University, Savannah, GA.

Reeves, T. C. (1997, December). *Using the WWW as a cognitive tool in higher education*. Invited seminar presented to the faculty at James Cook University, Queensland, Australia.

Reeves, T. C. (1997, November). *Using the World Wide Web as a cognitive tool in higher education*. Invited presentation at Web-Based Teaching in the Sciences Seminar, Wadsworth Publishers, Kennesaw State University, Kennesaw, GA.

- Reeves, T. C., Luke, N., Moore, J., & Nolan, M. (1997, October). *Evaluating technology programs*. Invited presentation at the 1997 Technology Leadership Conference, Georgia Department of Education Athens, GA.
- Reeves, T. C. (1997, October). *A model of factors affecting learning on the World Wide Web*. Invited seminar for the Georgia Governor's Teaching Fellows Program, Office of Instructional Development, The University of Georgia, Athens, GA.
- Reeves, T. C. (1997, September). *A model of interactive learning on the World Wide Web*. Invited keynote presentation at the Annual Faculty Seminar, Clayton College and State University, Morrow, GA.
- Reeves, T. C. (1997, August). *The Internet and multimedia in teaching and learning: Cognitive tools for the 21st century*. Invited presentation at the Board of Regents Faculty Development Workshop, Office of Information and Instructional Technology, Athens, GA.
- Reeves, T. C. (1997, January). *Using the computer as a cognitive tool: Research and praxis*. Invited presentation at the Technology in Adult Basic Education 1997 Winter Institute, Georgia Institute of Technology, Atlanta, GA.
- Reeves, T. C. (1996, August). *Evaluating multimedia CD-ROMs during design and implementation: A four-stage approach*. Invited presentation for MASTEC and IMAGO, Edith Cowan University, Perth, Western Australia.
- Reeves, T. C., & Reeves, P. M. (1996, February). *Effective dimensions of distance learning for adults*. Presentation at the Georgia Statewide Academic and Medical System (GSAMS) Conference, The University of Georgia, Athens, GA.
- Reeves, T. C. (1996, January). *Using the computer as a cognitive tool*. Teleconference presentation for the Educational Satellite Outreach Program, College of Education, The University of Georgia, Athens, GA.
- Reeves, T. C. (1995, July). *Effective dimensions of interactive learning in higher education*. Invited presentation at the U.S. Naval Academy, Annapolis, MD.
- Reeves, T. C. (1995, April). *Evaluating health sciences education: Infused, enthused and confused with educational technology*. Presentation at the Medical College of Georgia, Augusta, GA.
- Reeves, T. C. (1994, December). *Evaluation and learning technology*. Invited panelist to the EDUTECH 1994 Winter Symposium, Georgia Institute of Technology, Atlanta, GA.
- Reeves, T. C. (1993, October). *Interactive learning futures*. Invited keynote presentation at "The Greatest Show on Earth" Conference, Underwater World, Perth, Western Australia.
- Reeves, T. C. (1993, October). *Evaluating multimedia*. Invited presentation to the Victoria Computer Based Training Association, Melbourne, Victoria, Australia.
- Reeves, T. C. (1993, October). *Pedagogical dimensions for distance education*. Invited presentation to the Distance Education Center, Monash University, Melbourne, Victoria, Australia.
- Reeves, T. C. (1993, October). *Demystifying research*. Invited presentation to the Western Australia Adult Literacy Research Forum, Edith Cowan University, Perth, Western Australia.
- Reeves, T. C. (1993, October). *Science and pseudoscience in research on computer based education*. Invited presentation to the Mathematics, Science and Technology Education Center (MASTEC), Edith Cowan University, Perth, Western Australia.
- Reeves, T. C. (1993, August). *Pedagogical dimensions of interactive learning systems*. Invited presentation to the Science and Mathematics Education Center (SMEC), Curtin University of Technology, Perth, Western Australia.

Reeves, T. C. (1993, July). *Electronic performance support systems for instructional designers*. Invited presentation to the Western Australia Interactive Multimedia Association, Edith Cowan University, Perth, Western Australia.

Reeves, T. C. (1993, April). *Evaluating schools enthused, confused, and abused by instructional technology*. Paper presented at the Annual Georgia Educational Technology Conference, Columbus, GA.

Reeves, T. C. (1992, September). *Electronic performance support systems*. Invited presentation at the monthly meeting of the National Society for Performance and Instruction, Brisbane Chapter, Queensland, Australia.

Reeves, T. C. (1992, September). *The potential of electronic performance support systems in higher education*. Seminar conducted for the faculty of Griffith University, Queensland, Australia.

Reeves, T. C. (1991, April). *Research support for interactive multimedia*. Address to the Joint Meeting of the Atlanta Chapters of the American Society for Training and Development and the International Interactive Communications Society, Atlanta, GA.

Reeves, T. C., & Hannafin, M. (1990, March) *Professional productivity*. Presentation for the Florida State University and University of Georgia Instructional Technology Seminar, Athens, GA.

Reeves, T. C. (1989, October). *Interactive videodisc training programs*. Presentation for the Atlanta Chapter of the National Society for Performance and Instruction (NSPI), Athens, GA.

Reeves, T. C. (1989, August). *Interactive videodisc simulations*. Presentation conducted for the National Services Division Training Development Group, International Business Machines Corporation, Atlanta, GA.

Reeves, T. C. (1986, October). *New learning technology in medical education*. Invited presentation at the Michigan Association of Osteopathic Directors of Medical Education, Michigan State University, E. Lansing, MI.

Reeves, T. C. (1985, October). *Developing and using interactive video*. Invited presentation at the State and Local Government Training Conference, The University of Georgia Center for Continuing Education, Athens, GA.

Reeves, T. C. (1985, January). *The reactions of preservice teachers and students to war toys*. Invited address for The University of Georgia Chapter of Phi Delta Kappa, Athens, GA.

#### **SERVICE AS ORGANIZER/CHAIR/DISCUSSANT/PANELIST**

---

Reeves, T. C. (2017, November). Invited panelist for Presidential Session on “Classic and contemporary dialogues in ID, technology, learning & leading” organized by Alison Carr-Chellman and Gordon Rowland at the Annual Conference of the Association for Educational Communications and Technology, Jacksonville, FL.

Reeves, T. C. (2017, November). *Breakfast with champions*. Invited participant at the Annual Conference of the Association for Educational Communications and Technology, Jacksonville, FL.

Bolliger, D., Correia, A., Hirumi, A., Reeves, T. C., & Walker, A. (2017, November). Invited mentor at the AECT Early Career Symposium held at the Annual International Convention of the Association for Educational Communications and Technology, Jacksonville, FL.

Bonk, C. J., Jagannathan, S., Reeves, T. C., & Reynolds, T. (2017, October 17). Organizing Committee and Facilitators for Special Pre-conference Symposium on “MOOCs and Open Education in the Developing World” at E-Learn 2017—World Conference on E-Learning, Vancouver, BC, Canada

Reeves, T. C. (2016, October). *Breakfast with champions*. Invited participant at the Annual Conference of the Association for Educational Communications and Technology, Las Vegas, NV.

Ertmer, P. A., Hirumi, A., Martin, F., Moore, J. L., & Reeves, T. C. (2016, October). Invited mentor at the NSF/AECT Early Career Symposium held at the Annual International Convention of the Association for Educational Communications and Technology, Las Vegas, NV.

Howles, Les (Moderator) and Panelists: Ellen Wagner, Simone Conceicao, Michael G. Moore, Curtis Bonk, Tom Reeves, Darcy Hardy, Ray Schroeder, & Michelle D. Miller (2016, August 11). *Stumble, Fall Rise Again: From Failure to Transformation Change*. Invited closing panel at the 32nd Annual Conference on Distance Teaching and Learning, Madison, WI.

Reeves, T. C. (2016, April). Examining design education and lifelong learning. Discussant for SIG – Design and Technology at the Annual Meeting of the American Educational Research Association, Washington, DC.

Land, S., Reeves, T. C., Spector, J. M., Yoon, S., & Zhang, J. (2015, November). Invited mentor at the NSF/AECT Early Career Symposium held at the Annual International Convention of the Association for Educational Communications and Technology, Indianapolis, IN.

Reeves, T. C. (2015, November). *Breakfast with champions*. Invited participant at the Annual Conference of the Association for Educational Communications and Technology, Indianapolis, IN.

Hickey, D., Reeves, T. C., Squire, K., & Voogt, J. (2015, April). *Design-based research in instructional technology*. Invited panelist for SIG – Instructional Technology at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Bichelmeyer, B., Wiley, D., & Reeves, T. C. (2014, November). *The professor as entrepreneur*. Invited panelist at the NSF/AECT Early Career Symposium held at the Annual International Convention of the Association for Educational Communications and Technology, Jacksonville, FL.

Reeves, T. C. (2014, November). *Breakfast with champions*. Invited participant at the Annual Conference of the Association for Educational Communications and Technology, Jacksonville, FL.

Reeves, T. C. (2013, October). *MOOCs Are the Answer! Now, What Is the Question?* Invited panelist at the Annual International Convention of the Association for Educational Communications and Technology, Anaheim, CA.

Reeves, T. C. (2013, October). *Breakfast with champions*. Invited participant at the Annual Conference of the Association for Educational Communications and Technology, Anaheim, CA.

Bonk, C. J., Lee, M., Reeves, T. C., & Reynolds, T. (2013, October). *MOOCs and Open Education around the World*. Co-convenor of Pre-conference Symposium held at E-Learn 2013, Las Vegas, NV.

Reeves, T. C. (2012, November). *Leadership and success: A candid conversation with previous ECT interns about their experiences as leaders in the field*. Invited panelist at the Annual Conference of the Association for Educational Communications and Technology, Louisville, KY.

Reeves, T. C. (2012, November). *Breakfast with champions*. Invited participant at the Annual Conference of the Association for Educational Communications and Technology, Louisville, KY.

Reeves, T. C. (2011, March). *Online interaction and learning*. Chair and discussant for Division C – Section 7 at the Annual Meeting of the American Educational Research Association, New Orleans, LA.

Reeves, T. C. (2011, March). Technology activities in K–12 settings. Discussant for SIG – Instructional Technology at the Annual Meeting of the American Educational Research Association, New Orleans, LA.

Reeves, T. C. (2011, March). *Community of inquiry research*. Discussant for SIG – Online Teaching and Learning at the Annual Meeting of the American Educational Research Association, New Orleans, LA.

Reeves, T. C. (2011, March). *Research-based frameworks for instructional design education and expertise development*. Chair for SIG – Design and Technology at the Annual Meeting of the American Educational Research Association, New Orleans, LA.

Reeves, T. C. (2011, March). *Advanced technology for supporting and assessing student learning*. Discussant for SIG – Advanced Technology for Learning at the Annual Meeting of the American Educational Research Association, New Orleans, LA.

Pieters, J., Reeves, T. C., Mishra, P., Voogt, J., & Valcke, M. (2009, January). *Curriculum, teachers, and innovation*. Invited panel discussion held at the University of Twente, Enschede, The Netherlands.

Bozarth, J, Precht, W., Reeves, T.C., & Shank, P. (2008, November). *Past promises and present challenges: A conversation about hype and reality and what's to come in e-learning*. Invited panel at E-Learn 2008, Las Vegas, NV.

Reeves, T. C. (2008, November). *E-learning in Asia*. Invited discussant day long special session at E-Learn 2008, Las Vegas, NV.

Reeves, T. C. (2008, March). *Frontiers of interactive instruction: Using games, simulations, and virtual reality to improve learning*. Discussant for SIG – Instructional Technology at the Annual Meeting of the American Educational Research Association, New York, NY.

Reeves, T. C. (2008, March). *Communication and information technology in education from an international perspective*. Discussant for SIG – International Studies at the Annual Meeting of the American Educational Research Association, New York, NY.

Reeves, T. C. (2007, April). *Interaction and collaboration among online learners*. Discussant for SIG – Instructional Technology at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Reeves, T. C. (2007, April). *Issues in the design of learning environments: Collaboration, multiculturalism, reliability, and professional development*. Discussant for SIG – Design and Technology at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Reeves, T. C. (2007, April). *Examining a two-year evaluation research study of e-textbooks from three perspectives*. Discussant for SIG – Computer and Internet Applications in Education at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Reeves, T. C. (2007, April). *Designing technology to support learning and assessment*. Discussant for SIG – Computer and Internet Applications in Education at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Reeves, T. C. (2007, April). *Transcending space and time: International perspectives on the use of technology in education*. Discussant for Division C – Learning and Instruction at the Annual Meeting of the American Educational Research Association, Chicago, IL.

McKenney, S., van den Akker, J. J., Burkhardt, H., Cobb, P. A., Gravemeijer, K. P., Kelly, A. E., Phillips, D. C., Reeves, T. C., & Sloane, F. C. (2006, April). *Design research: Principled improvement of learning and instruction*. Panelist at symposium held at the Annual Meeting of the American Educational Research Association, San Francisco, CA.

Surry, D., Reeves, T. C., Jones, M., Yuen, S., & Davidson-Shivers, G. (2005, March). *Research and e-learning*. Invited panelist. First Southeastern Conference in Instructional Design and Technology, University of South Alabama, Mobile, AL.

Reeves, T. C., Weatherly, J., & Montgomerie, C. (2004, June). *Customizing the Digital Library for Earth System Education (DLESE) for targeted users: Dream or reality?* Chair and panelist at ED-MEDIA 2004, Lugano, Switzerland.

Oliver, R., Richards, G., Conole, G., & Reeves, T. C. (2004, June). *Learning objects: Who is using them?* Panelist at ED-MEDIA 2004, Lugano, Switzerland.

Reeves, T. C. (2004, April). *Education and the WWW Special Interest Group Research Papers*. Discussant at the Annual Meeting of the American Educational Research Association, San Diego, CA.

Reeves, T. C. (2004, April). *Instructional Technology Special Interest Group Research Papers*. Discussant at the Annual Meeting of the American Educational Research Association, San Diego, CA.

Reeves, T. C. (2003, April). *Design research*. Discussant at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Oliver, R., Harper, B., Reeves, T. C., Strijker, A., & Westhuizen, D. (2002, June). *Learning management systems: One size fits all?* Panelist at ED-MEDIA 2002, Denver, CO.

Reeves, T. C. (2001, April). Evaluating the impact of educational technology: What do we know? Discussant at the Annual Meeting of the American Educational Research Association, Seattle, WA.

Reeves, T. C. (2001, April). Teaching and learning online. Discussant at the Annual Meeting of the American Educational Research Association, Seattle, WA.

Fitzgerald, G. E., Allen, B., & Reeves, T. C. (1999, April). *A conversation with the editors: Learning and information system review board*. Panel discussion held at the Annual Meeting of the American Educational Research Association, Montreal, Quebec, Canada.

Reeves, T. C. (1998, February). *Research in instructional technology: Interviews with research leaders*. Discussant and panelist at the Annual Conference of the Association for Educational Communications and Technology, St. Louis, MO.

Reeves, T. C. (1998, February). *Dejá vu all over again: Considering instructional design and the World Wide Web* (Ward M. Cates). Discussant at the Annual Conference of the Association for Educational Communications and Technology, St. Louis, MO.

Baker, M. H., Reeves, T. C., Quinn, J., Farquhar, J., & Harmon, S. (1996, February). *Establishing a research agenda: Perspectives of new faculty*. Chaired session at the Annual Conference of the Association for Educational Communications and Technology, Indianapolis, IN.

Reeves, T. C. (1996, February). *Emerging technology: What's in it for faculty?* Panelist at the Third ENRON Symposium on Teaching Excellence, University of Houston, TX.

Holloway, R. E., Doyle, C. S., Martin, W. E., & Reeves, T. C. (1995, April). *Guidelines for graduate research courses*. Symposium at the Annual Meeting of the American Educational Research Association, San Francisco, CA.

Cavalier, R., & Reeves, T. C. (1992, November). *The impact of computer technology on culture and education: Special international track*. Symposium presented at the 33rd International Conference of the Association for the Development of Computer-based Instructional Systems, St. Louis, MO.

Discussant. (1991, April). *The effects of computer-based instruction on teaching and learning in computer-based classrooms*. Session held at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Roberts, F., Rizza, P. J., Misselt, L., & Reeves, T. C. (1990, November). *Instructional theory into practice: Instructional models*. Panel session at the 32nd International Conference of the Association for the Development of Computer-based Instructional Systems, San Diego, CA.

Cavalier, R., & Reeves, T. C. (1990, November). *The impact of computer technology on culture and education: Special international track*. Symposium presented at the 32nd International Conference of the Association for the Development of Computer-based Instructional Systems, San Diego, CA.

Chair. (1990, February). *Evaluating instructional software*. Session held at the Annual Convention of the Association for Educational Communications and Technology, Anaheim, CA.

Discussant. (1990, February). *Expert systems for instructional development*. Session held at the Annual Convention of the Association for Educational Communications and Technology, Anaheim, CA.

Committee Member. (1988, February). Invited participant to the Soviet American Citizens' Summit held in Alexandria, VA. Member of the Task Force on "Computers for Cooperation."

Organizer. (1984, January). *Applications of videodisc technology in science education*. Symposium held at the Annual Convention of the Association for Educational Communications and Technology, Dallas, TX.

## **SELECTED WORKSHOPS**

---

Kartoğlu, U., Reeves, T. C., Vesper, J., & Gönendik, H. (2017, September). *Learning facilitation skills*. Five-day workshop provided for the Global Learning Opportunities for Vaccine Quality Group of the World Health Organization, Antalya, Turkey.

Reeves, T. C. (2016, November). *Evaluating e-learning*. Workshop provided at E-Learn 2016, Alexandria, VA.

Kartoğlu, U., Reeves, T. C., Vesper, J., & Gönendik, H. (2014, October). *Learning facilitation skills*. Five-day workshop provided for the Global Learning Opportunities for Vaccine Quality Group of the World Health Organization, Antalya, Turkey.

Reeves, T. C. (2014, November). *Conducting educational design research*. Workshop at LINK Research Lab, University of Texas Arlington, Arlington, TX.

Reeves, T. C. (2014, September). *Conducting educational design research*. Workshop at Ewha Womans University, Seoul, Republic of Korea.

Kartoğlu, U., O'Donnell, K., & Reeves, T. C. (June, 2014). "Pharmaceutical Cold Chain Management on Wheels" six-day experiential learning course provided in Turkey for the World Health Organization.

Reeves, T. C. (2014, February). *Assessment and evaluation for authentic learning*. Professional development workshop provided at Cape Peninsula University of Technology, Cape Town, South Africa.

Reeves, T. C. (2014, February). *Conducting educational design research*. Professional development workshop provided for the Centre for Academic Technologies, The University of Johannesburg, South Africa.

Reeves, T. C. (2014, February). *Designing effective learning environments with authentic tasks*. Professional development workshop provided for the Centre for Academic Technologies, The University of Johannesburg, South Africa.

Reeves, T. C. (2013, November). *Conducting educational design research*. Five-day workshop provided for the Centre for Learning Resources, Pune, India.

- Kartoğlu, U., Reeves, T. C., Mak, T., & Gönendik, H. (2012, May). *Learning facilitation skills*. Five-day workshop provided for the Global Learning Opportunities for Vaccine Quality Group of the World Health Organization, Kemer, Turkey.
- Reeves, T. C. (2011, July). *Evaluating professional development for online teachers*. Staff development workshop at Massey University, Palmerston North, New Zealand.
- Reeves, T. C. (2011, July). *Designing and evaluating authentic online learning environments for GenMe learners*. Faculty development workshop at Open Polytechnic, Lower Hutt, New Zealand.
- Reeves, T. C. (2011, July). *Designing online and blended courses with authentic activities*. Faculty development workshop at Open Polytechnic, Lower Hutt, New Zealand.
- Reeves, T. C. (2011, July). *Evaluating online and blended learning environments*. Faculty development workshop at Victoria University, Wellington, New Zealand.
- Reeves, T. C. (2011, July). *Designing online and blended courses with authentic activities*. Faculty development workshop at Victoria University, Wellington, New Zealand.
- Reeves, T. C. (2011, July). *Authentic activities in online and blended courses: How to evaluate whether the design is effective for learning*. Faculty development workshop at Otago Polytechnic, Dunedin, New Zealand.
- Reeves, T. C. (2011, July). *What makes you think they are really learning? - The essentials of online assessment*. Tutorial at Share-E-Fest 2011, WINTEC, Hamilton, New Zealand.
- Reeves, T. C. (2011, July). *How can you improve your online teaching? - The role of formative evaluation*. Tutorial at Share-E-Fest 2011, WINTEC, Hamilton, New Zealand.
- Reeves, T. C. (2011, July). *Designing online and blended courses with authentic activities*. Workshop at the Manukau Institute of Technology, Auckland, New Zealand.
- Reeves, T. C. (2011, July). *Online and blended learning environments: The challenges of assessment and evaluation*. Workshop at the Manukau Institute of Technology, Auckland, New Zealand.
- Reeves, T. C., & Oliver, R. (2010, December). *Engaging and motivating learners used technology-based authentic learning environments*. Workshop at Edith Cowan University, Perth, West Australia.
- Reeves, T. C. (2010, December). *Evaluating e-learning*. Pre-conference workshop at the Australasian Society for Computers in Learning in Tertiary Education (ASCILITE) Conference, Sydney, New South Wales, Australia.
- Reeves, T. C., & Choi, I. (2010, October). *Evaluating e-learning*. Pre-conference tutorial at E-Learn 2010, Orlando, FL.
- Kartoğlu, U., Reeves, T. C., Vesper, J., & Gönendik, H. (2010, September). *Designing courses for learning*. Five-day workshop provided for the Global Learning Opportunities for Vaccine Quality Group of the World Health Organization, Kemer, Turkey.
- Herrington, J., McKenney, S., & Reeves, T. C. (2010, March). *Conducting educational design research*. Pre-conference workshop at the Educational Design Research: Local Change & Global Impact Conference, The University of Georgia, Athens, GA, USA.

- Reeves, T. C. (2010, February). *Introduction to design research*. Workshop at the CIMA Symposium “Curriculum Development, Instructional Technology & Educational Innovation” at the University of Twente, Enschede, The Netherlands.
- Kartoğlu, U., Reeves, T. C., Vesper, J., & Gönendik, H. (2009, November). *Designing courses for learning*. Five-day workshop provided for the Global Learning Opportunities for Vaccine Quality Group of the World Health Organization, Antalya, Turkey.
- Reeves, T. C. (2009, June). *Evaluating e-learning*. Pre-conference tutorial at ED-MEDIA 2009, Honolulu, HI.
- Reeves, T. C. (2009, March). *How to design online and blended courses with authentic activities*. Professional development workshop at the Higher Colleges of Technology, Dubai, United Arab Emirates.
- Reeves, T. C., Oliver, R., & Herrington, J. (2009, March). *Evaluating e-learning*. Pre-conference workshop at the First International Conference for e-Learning and Distance Learning, The National Center for E-Learning and Distance Learning, Riyadh, Kingdom of Saudi Arabia.
- Herrington, J., Reeves, T. C., & Oliver, R. (2009, March). *Authentic tasks for e-learning*. Pre-conference workshop at the First International Conference for e-Learning and Distance Learning, The National Center for E-Learning and Distance Learning, Riyadh, Kingdom of Saudi Arabia.
- Reeves, T. C. (2009, January). *The design research imperative*. Workshop at the CIMA Symposium at the University of Twente, Enschede, The Netherlands.
- McKenney, S., Reeves, T. C., & Brand-Gruwel, S. (2009, January). *Design research in education*. Doctoral training seminar held at the Open University of The Netherlands, Utrecht, NL.
- Reeves, T. C. (2008, November). *Evaluating e-learning*. Pre-conference tutorial at E-Learn 2008, Las Vegas, NV.
- Reeves, T. C. (2008, October). *Evaluating online and blended learning in higher education*. Pre-conference seminar at 25 2008, Orlando, FL.
- Reeves, T. C. (2008, February). *Evaluating e-learning*. Post-Seminar Workshop at NTU Teaching and Learning Seminar: from Good to Great 2008 – Building Bridges....Fostering Learning, Nanyang Technological University, Singapore.
- Reeves, T. C. (2008, February). *Designing blended courses with authentic tasks*. Pre-Seminar Workshop at NTU Teaching and Learning Seminar: from Good to Great 2008 – Building Bridges....Fostering Learning, Nanyang Technological University, Singapore.
- Oliver, R., Herrington, J., & Reeves, T. C. (2007, June). *Exploring design-based research methods*. Pre-conference tutorial at ED-MEDIA 2007, World Conference on Educational Multimedia and Hypermedia, Vancouver, BC, Canada.
- McKenney, S., Reeves, T. C., & Akker, J. V. (2006, November). *Design research in education*. One week doctoral training seminar held at the University of Twente, Enschede, The Netherlands.
- Reeves, T. C. (2006, October). *Designing effective Web-based courses in higher education*. Faculty development workshop at Chung Ang University, Seoul, Republic of Korea.
- Reeves, T. C. (2006, October). *Evaluating e-learning*. Pre-conference tutorial at E-Learn 2006, Honolulu, HI.
- Reeves, T. C. (2006, August). *Evaluating online and blended learning in higher education*. Pre-conference workshop at Instructional Strategies for Blended & Online Learning Conference, Academic Impressions, Pittsburgh, PA.

- Hill, J., & Reeves, T. C. (2006, March). *High level design, assessment, and evaluation for e-learning courses*. One-day workshop in collaboration with the Tunisian Ministry of Education, the Tunisian Virtual University and the University of Georgia, Athens.
- Reeves, T. C. (2005, July). *Design research: A socially responsible approach to instructional technology research in higher education*. Workshop at the Annual Meeting of the Digital Library for Earth Systems Education (DLESE 2005), St. Petersburg, FL.
- Reeves, T. C., Buhr, S., & Barker, L. (2005, July). *Evaluating digital libraries*. Pre-conference tutorial at the Annual Meeting of the Digital Library for Earth Systems Education (DLESE 2005), St. Petersburg, FL.
- Reeves, T. C., Buhr, S., & Barker, L. (2005, June). *Evaluating digital libraries*. Pre-conference tutorial at the Joint Conference on Digital Libraries (JCDL 2005), Denver, CO.
- Hill, J., & Reeves, T. C. (2005, April). *Designing e-learning courses: An introduction for higher education faculty*. Two-day workshop in collaboration with the Tunisian Ministry of Education, the Tunisian Virtual University and the University of Sousse, Tunisia.
- Reeves, T. C. (2004, August). *Interactive learning systems evaluation*. Post-conference workshop at the eAgenda Roundtable 2004, Gold Coast, Queensland, Australia.
- Reeves, T. C. (2004, June). *Evaluating e-learning*. Pre-conference tutorial at ED-MEDIA 2004, Lugano, Switzerland.
- Reeves, T. C., Oliver, R., & Herrington, J. (2004, June). *Designing web-based courses with authentic activities*. Pre-conference tutorial at ED-MEDIA 2004, Lugano, Switzerland.
- Reeves, T. C., & Davis, L. (2004, June). *Evaluating digital libraries*. Pre-conference tutorial at the Joint Conference on Digital Libraries (JCDL 2004), Tucson, AZ.
- Reeves, T. C. (2003, October). *Interactive learning systems evaluation*. Pre-conference workshop at the Annual Conference of the Association for Educational Communications and Technology, Anaheim, CA.
- Reeves, T. C., & Hedberg, J. G. (2003, June). *Evaluating interactive learning*. Pre-conference tutorial at ED-MEDIA 2003, Honolulu, HI.
- Herrington, J., & Oliver, R., & Reeves, T. C. (2003, June). *Designing web-based courses with authentic activities*. Pre-conference tutorial at ED-MEDIA 2003, Honolulu, HI.
- Reeves, T. C., Herrington, J., & Oliver, R. (2002, July). *Designing web-based courses with authentic activities*. Pre-conference workshop at the Higher Education Research and Development Society of Australasia (HERDSA) Conference, Perth, Western Australia.
- Reeves, T. C., & Hedberg, J. G. (2002, June). *Evaluating interactive learning*. Pre-conference tutorial at ED-MEDIA 2002, Denver, CO.
- Reeves, T. C. (2001, November). *Evaluating interactive learning*. Pre-conference workshop presented at the Annual Conference of the Association for Educational Communications and Technology, Atlanta, GA.
- Reeves, T. C. (2001, June). *Evaluating interactive learning*. Pre-conference tutorial at ED-MEDIA 2001, Tampere, Finland.

- Reeves, T. C. (2001, June). *Evaluating the effectiveness and impact of e-learning in the pharmaceutical industry*. Invited pre-conference workshop presented at the Applying E-Learning for Successful Pharmaceutical Training Processes Conference, Princeton, NJ.
- Reeves, T. C. (2001, April). *Design research*. Workshop presented at the Design: Connect, Create, and Collaborate Conference at The University of Georgia, Athens, GA.
- Reeves, T. C. (1999, February). *Evaluating interactive learning*. Workshop conducted at Annual Conference of the Association for Educational Communications and Technology, Houston, TX.
- Reeves, T. C. (1998, November). *Evaluating interactive learning on the World Wide Web*. Workshop presented at WebNet 98, Orlando, FL.
- Reeves, T. C. (1998, October). *Evaluating web-based learning*. Workshop presented at LINKS98, Stockholm, Sweden.
- Reeves, T. C., & Marlino, M. R. (1998, June). *Evaluating interactive learning*. Workshop presented at ED-MEDIA/ED-TELECOMM 98, Freiburg, Germany.
- Reeves, T. C. (1998, May). *Evaluating interactive multimedia for distance and flexible learning*. Workshop conducted at the University of Hong Kong, China.
- Reeves, T. C. (1998, February). *Evaluating interactive learning*. Workshop conducted at Annual Conference of the Association for Educational Communications and Technology, St. Louis, MO.
- Reeves, T. C., & Marlino, M. R. (1997, December). *Evaluating interactive learning*. Workshop presented at the Annual Conference of the Australian Society for Computers in Tertiary Education (ASCILITE '97), Perth, Western Australia.
- Reeves, T. C. (1997, December). *Evaluating interactive learning*. Workshop presented at the International Conference on Computers in Education (ICCE '97), Kuching, Zarawak, Malaysia.
- Reeves, T. C., Gilbert, L., Leighton, C., Peng, C., & Jury, T. (1997, February). *Designing electronic performance support systems (EPSS) for distribution of the World Wide Web*. Workshop conducted at Annual Conference of the Association for Educational Communications and Technology, Albuquerque, NM.
- Reeves, T. C. (1996, November). *Evaluating interactive learning*. Full day workshop presented at the Annual Conference of the American Evaluation Association, Atlanta, GA.
- Reeves, T. C., & Reeves, P. M. (1996, June). *Effective dimensions of interactive learning for adults*. Workshop for the Digital Equipment Corporation, Newton, MA.
- Marlino, M. R., & Reeves, T. C. (1995, October). *Innovative strategies for evaluating interactive software in higher education*. Workshop conducted at EDUCOM '95, Portland, OR.
- Jury, T., Laffey, J., & Reeves, T. C. (1995, February). *Electronic performance support systems (EPSS) for instructional designers*. Workshop conducted at Annual Conference of the Association for Educational Communications and Technology, Anaheim, CA.
- Marlino, M. R., & Reeves, T. C. (1994, October). *Evaluating interactive multimedia*. Workshop conducted at EDUCOM '94, San Antonio, TX.
- Reeves, T. C. (1994, October). *Evaluating computer-based instruction*. Workshop conducted at the International Conference on Computer-Assisted Education and Training in Developing Countries, Johannesburg, South Africa.

- Reeves, T. C. (1994, September). *Evaluating interactive multimedia for education and training*. Workshop conducted at CELTEC, Rio de Janeiro, Brazil.
- Reeves, T. C., & Marlino, M. R. (1994, August). *Evaluating interactive multimedia*. Workshop conducted at the 12th Annual Conference on Interactive Instruction Delivery, Washington, DC.
- Reeves, T. C., & Marlino, M. R. (1994, June). *Evaluating interactive multimedia*. Workshop conducted at ED-MEDIA '94, World Conference on Educational Multimedia and Hypermedia, Vancouver, BC, Canada.
- Reeves, T. C. (1994, June). *Evaluating the effectiveness and impact of interactive instruction*. Workshop conducted at Interactive '94, Ziff Institute, San Jose, CA.
- Jury, T., Laffey, J., & Reeves, T. C. (1994, February). *Electronic performance support systems (EPSS) for developers of information and training products*. Workshop conducted at Annual Conference of the Association for Educational Communications and Technology, Nashville, TN.
- Reeves, T. C., Ellis, D., Wills, S., & McNaught, C. (1993, November). *Does computer -based learning really work?* A national workshop (two days) offered at the Center for the Study of Higher Education, Melbourne University, Melbourne, Victoria, Australia.
- Reeves, T. C., & Marlino, M. R. (1993, June). *Evaluating interactive multimedia*. Workshop at ED-MEDIA '93, World Conference on Educational Multimedia and Hypermedia, Orlando, FL.
- Reeves, T. C. (1993, February). *Evaluating interactive multimedia*. Workshop conducted at Orlando Multimedia '93, the 11th Annual Conference on Interactive Instruction Delivery, Orlando, FL.
- Reeves, T. C. (1992, November). *Evaluating interactive multimedia*. Workshop conducted at the 34th International Conference of the Association for the Development of Computer-based Instructional Systems, Norfolk, VA.
- Glaser, R., Harper, B., Hedberg, J., Metros, S., Steele, J., & Reeves, T. C. (1992, October). *Interactive multimedia workshop*. University of Wollongong, NSW, Australia. (Included production of *Mission possible: It's your choice*, a multimedia CD-ROM for the NSW Cancer Council.)
- Reeves, T. C. (1992, August). *Evaluating interactive multimedia*. Workshop conducted at the 10th Annual Conference on Interactive Instruction Delivery, Washington, DC.
- Reeves, T. C. (1992, February). *Interactive videodisc program evaluation*. Workshop conducted at Orlando Multimedia '92, the 10th Annual Conference on Interactive Instruction Delivery, Orlando, FL.
- Reeves, T. C., Aggen, W. D., Gregory, R., & Montefusco, M. (1991, May). *Implementing and evaluating interactive training*. Workshop conducted at the American Society for Training and Development Conference, San Francisco, CA.
- Reeves, T. C. (1990, August). *Interactive videodisc program evaluation*. Workshop conducted at the 12th Annual Conference on Interactive Videodisc in Education and Training, Washington, DC.
- Reeves, T. C. (1990, June). *Videodisc evaluation workshop*. Workshop conducted at the 1990 Nebraska Videodisc Design Workshop, Lincoln, NE.
- Reeves, T. C. (1990, February). *Interactive videodisc program evaluation*. Workshop conducted at the 8th Annual Conference on Interactive Instruction Delivery, Orlando, FL.
- Reeves, T. C. (1989, June). *Videodisc evaluation workshop*. Workshop conducted at the 1989 Nebraska Videodisc Design Workshop, Lincoln, NE.

King, J. M., & Reeves, T. C. (1989, April). *Interactive videodisc in the health professions*. Workshop conducted at the College of Nursing, The Medical College of Georgia, Augusta, GA.

Reeves, T. C. (1989, February). *Interactive videodisc program evaluation*. Workshop conducted at the 7th Annual Conference on Interactive Instruction Delivery, Orlando, FL.

Reeves, T. C., Brandt, R. H., & Marlino, M. R. (1988, November). *Evaluation of interactive videodisc development projects*. Pre-conference workshop conducted at 30th International Conference of the Association for the Development of Computer-based Instructional Systems, Philadelphia, PA.

Reeves, T. C. (1988, September). *Videodisc evaluation workshop*. Pre-Symposium Tutorial conducted at the 1988 Nebraska Videodisc Symposium, Lincoln, NE.

Reeves, T. C. (1988, August). *Interactive videodisc program evaluation*. Workshop conducted at the 10th Annual Conference on Interactive Videodisc in Education and Training, Washington, DC.

Reeves, T. C., & Marlino, M. R. (1988, July). *Interactive video*. Workshop conducted for Syracuse University Summer Sessions, Division of Instructional Design, Development, and Evaluation, Syracuse, NY.

Held, T. H., Aggen, W. D., & Reeves, T. C. (1988, January). *Interactive videodisc: An introduction and overview of applications and design strategies*. Workshop conducted for the Association for Educational Communications and Technology Conference, New Orleans, LA.

Held, T. H., Reeves, T. C., & Aggen, W. D. (1987, November). *Introduction to computer-based interactive video: The basics of design and development*. Workshop conducted at the 29th International Conference of the Association for the Development of Computer-based Instructional Systems, Oakland, CA.

Held, T. H., & Reeves, T. C. (1987, September). *Interactive videodisc: Introduction, overview, and applications*. Workshop conducted at LaserActive '87, Boston, MA.

Held, T. H., Reeves, T. C., & Aggen, W. D. (1986, November). *Designing and producing computer-based interactive video courseware*. Workshop conducted at the 28th International Conference of the Association for the Development of Computer-based Instructional Systems, Washington, DC.

King, J. M., Tillman, M., & Reeves, T. C. (1986, April). *Designing interactive computer-based instruction*. Workshop conducted at the National Society for Performance and Instruction Conference, San Francisco, CA.

Held, T. H., Aggen, W. D., & Reeves, T. C. (1986, April). *Interactive videodisc concepts*. Workshop conducted at the First Annual Conference on Learning Technology in the Health Care Sciences, Arlington, VA.

Reeves, T. C., Held, T. H., & Aggen, W. D. (1986, February). *Designing and producing computer-based interactive videodiscs*. Workshop conducted at the 27th International Conference of the Association for the Development of Computer-based Instructional Systems, New Orleans, LA.

Reeves, T. C., Held, T. H., & Aggen, W. D. (1986, January). *Designing and producing computer-based interactive video courseware*. Workshop conducted for the Association for Educational Communications and Technology Conference, Las Vegas, NV.

King, J. M., & Reeves, T. C. (1986-87). *Designing interactive video*. A series of six workshops provided to faculty at the Atlanta Junior College, Atlanta, GA.

Reeves, T. C., Held, T. H., & Aggen, W. D. (1985, March). *Interactive instruction*. Workshop conducted for the U. S. National Security Agency, Ft. Meade, MD.

Reeves, T. C., Held, T. H., & Aggen, W. D. (1985, March). *Designing and producing computer-based interactive videodiscs*. Workshop conducted at the 26th International Conference of the Association for the Development of Computer-based Instructional Systems, Philadelphia, PA.

Reeves, T. C., Held, T. H., Aggen, W. D., & Fletcher, K. A. (1985, January). *Designing and producing computer-based interactive video courseware*. Workshop conducted for the Association for Educational Communications and Technology Conference, Anaheim, CA.

Reeves, T. C., & Held, T. H. (1985-86). *Interactive videodisc: Technical features and applications*. A series of three workshops conducted for the National Service Division, IBM Corporation, Atlanta, GA.

Gustafson, K., King, J. M., Okey, J. R., Reeves, T. C., & Wilkinson, G. (1984, April). *Designing interactive video instruction*. Workshop conducted at the National Society for Performance and Instruction Conference, Atlanta, GA.

King, J. M., Okey, J. R., & Reeves, T. C. (1984, April) *Designing interactive computer-based instruction*. Workshop conducted at the National Society for Performance and Instruction Conference, Atlanta, GA.

Reeves, T. C. (1984-85). *Evaluation and measurement in computer-based training*. A series of four workshops conducted for the National Service Division, IBM Corporation, Atlanta, GA.

## AFFILIATIONS

---

American Educational Research Association

American Evaluation Association

Association for the Advancement of Computers in Education

Association for Educational Communications and Technology

## HONORS

---

First Place Book Award, DDL, Association for Educational Communications and Technology, for *MOOCs and Open Education Around the World* (with Curt Bonk, Mimi Lee, and Tom Reynolds) (2016).

David H. Jonassen Excellence in Research Award, Association for Educational Communications and Technology (2013).

Outstanding Book Award, RTD, Association for Educational Communications and Technology, for *Conducting Educational Design Research* (co-authored with Susan E. McKenney) (2013).

Lifetime Award from the International Association for Development of the Information Society (IADIS) (2013).

Australasian Society for Computers in Learning in Tertiary Education (ASCILITE) Fellow (2010).

Professor Emeritus, College of Education, The University of Georgia (2010).

Outstanding Book Award, DID, Association for Educational Communications and Technology, for *A Guide to Authentic E-Learning* (co-authored with Jan Herrington and Ron Oliver) (2010).

Association for the Advancement of Computers in Education Fellow (Inducted 2003).

Senior Teaching Fellow, The University of Georgia (2002).

Georgia Teaching Academy (Inducted 2002).

Top 100 Multimedia Producers of 1995 Award, *Multimedia Producer Magazine*.

College of Education Teaching Award, The University of Georgia (1995).

Teaching Fellow, Edith Cowan University, Perth, Western Australia, Australia (1993).

Senior Fellow, Society for Applied Learning Technology (Elected 1991)  
Encore Speaker, National Society for Performance and Instruction (1986).  
National Academy Fellow, National Academy for Teacher Education (1984).  
Fulbright Lecturer Award, Council for International Exchange of Scholars (1980).  
Leadership Development Award from AECT (1978).  
Phi Delta Kappa Professional Fraternity in Education (1977-98).  
Syracuse University Fellowship (1975-77).  
Who's Who Among Students in American Universities and Colleges (1978).  
Outstanding Scholar Award, Mortar Board, Georgia State University (1973).  
Dean's Key, Georgia State University (1973).  
Blue Key National Honor Fraternity, Georgia State University (1971).

#### **SELECTED GRANTS AWARDED SINCE 1980**

---

National Science Foundation. **Co-Principal Investigator** (sub-contract). Evaluation of the Digital Library for Earth Sciences Education (DLESE). (\$246,000). (Completed 2007).

University Corporation for Atmospheric Research (UCAR). **Principal Investigator**. User-Friendly Guide to Evaluating Digital Libraries. (\$25,000). (Completed 2005).

U.S. Department of Agriculture. **Co-Principal Investigator** (with R. M. Mullis, G. Hanula, & M. Hughes). Bringing it home: Creating healthy generations in low-income African American families. (\$2,129,892). (Completed 2004).

Bertelsmann Foundation. **Co-Principal Investigator** (with Janette Hill). Evaluation of ubiquitous computing environment at Athens Academy. (\$94,000). (Completed 2004).

University Consortium for Atmospheric Research (UCAR). **Principal Investigator**. Evaluation of "Remote Sensing Using Satellites" World Wide Web Based Instructional Module. (\$20,000). (Completed 2004).

National Science Foundation. **Principal Investigator**. Evaluation of a digital multimedia distance learning system developed by Dartmouth Medical School for the U. S. Army Medical Center and School, Fort Sam Houston, San Antonio, Texas. (\$102,000). (Completed 2002).

National Science Foundation. **Co-Principal Investigator** (with Jim Affolter and C. P. Lo). Development of an electronic performance support system for undergraduate students engaged in environmental literacy research projects. (\$300,000). (Completed 2002).

Georgia University System Board of Regents. **Co-Principal Investigator** (with Mary Jo Brown). Development of Action Research CD-ROM. (\$20,000) (Completed 1999).

Medical College of Georgia. **Principal Investigator**. Evaluation of "Babies Can't Wait" program. (\$12,000). (Completed 1999). (Completed 1999).

NCR Corporation and Georgia Research Alliance. **Principal Investigator**. Design of a WWW-based electronic performance support system for training developers called TIPS (Trainers' Interactive Performance Support). (\$96,000). (Completed 1998).

Georgia Professional Standards Commission. **Co-Principal Investigator** (with Joel Taxel). Provided laptop computers for students, teachers, and faculty involved in Alternative Teacher Education (ATE) program. (\$150,000). (Completed 1998).

Georgia Research Alliance. **Principal Investigator**. Development of electronic performance support system for teachers (Teacher Workstation). (\$69,000). (Completed 1998).

Georgia Research Alliance. **Principal Investigator**. Purchase and implementation of portable interactive multimedia usability testing laboratory. (\$79,000). (Completed 1998).

Georgia Research Alliance. **Principal Investigator**. Investigation of mental models and interactive multimedia. (\$51,000). (Completed 1997).

Georgia Research Alliance. **Co-Principal Investigator** (with Jim Wilson, Mike Orey, and Mike Hale). Establishment of the Learning and Performance Support Laboratory (LPSL). (\$1,100,000). (Completed 1997).

Georgia Research Alliance and University of Georgia Foundation. **Co-Principal Investigator** (with Al Buccino and Jim Wilson). Establishment of an Endowed Chair in Technology Enhanced Learning (LPSL). (\$1,500,000). (Completed 1996).

National Library of Medicine. **Project Director**. Evaluation of four computer-based training programs that were designed to train users of computer-based medical databases such as MEDLINE and CHEMLINE. (\$25,000). (Completed 1990).

U.S. Army. **Project Director and Co-Principal Investigator**. Leadership of the team at the University of Maryland University College which developed functional literacy training interactive videodisc system for the U. S. Army in Europe. The program, "Space Time Army Reconnaissance System (STARS)," trained junior enlisted personnel to read technical manuals in a variety of military occupational specialties. (\$500,000). (Completed 1985).

#### **SELECTED CONSULTATIONS**

---

Apple Computer, Inc.	Delta Airlines	UPS
AT&T Bell Labs	Educational Development Corporation	U. S. Air Force Academy
Battelle Laboratories	Educational Testing Service	U. S. Army
Bertelsmann Foundation	IBM Corporation	U. S. Navy
Centers for Disease Control & Prevention (CDC)	National Science Foundation	The World Bank
		World Health Organization (WHO)
